8. CLOSE

Dated at Perth this 13th day of August 2012
BY ORDER OF THE BOARD

Lachlan Dale
Company Secretary

NOTES:

1. Representatives and Alternates

Every Member which or who is the holder of an Ordinary Share in Baseball WA Limited must appoint one or more natural persons as its representative or representatives to exercise the powers of that Member. Where more than one representative has been so appointed, only one of them may exercise the powers of that Member at any one time.

2. Proxies and Representatives' Appointments

Any instrument appointing a proxy or representative is to be treated as valid if the instrument and any power of attorney or other authority under which it is signed is or are either:

- (a) deposited at Baseball WA's registered office (Suite 5, Sports Lotteries House, 85 Stephenson Avenue, Mt Claremont WA) at least 48 hours before the scheduled time for the commencement of the relevant meeting; or
- (b) presented to the chairman of the meeting as soon as practicable after the commencement of that meeting and, in any event, before the relevant vote is taken

3. Quorum

A quorum for a general meeting is 20% or more of Members present in person, by representative or by proxy.

4. Election of Directors

The following individuals have nominated and will fill the three vacant board positions and be ratified in accordance with section 201E(2)(b) of the Corporations Law as directors of the company in accordance with Rule 8 of the company's Constitution for a period of two years as from the conclusion of the meeting. Where the number of nominations is less than the number of declared vacancies, no election is required.

1. DEAN JOHN BURTON
2. STEPHEN HENRY BYRNE
3. SHANE NEVILLE SMITH
4. VACANT

5. Appointment of Auditor

The General Manager recommends the appointment of David Craig to continue as Auditor.

Baseball WA Ltd

Baseball WA Ltd

Chairman's Report

It is my pleasure to present my second report as Chairman of Baseball WA.

The 2011-2012 season saw baseball in WA grow in reputation and success both state and nationally, and indeed internationally with the Perth HEAT competing in the Asian Series for the first time. The respect with which we are held by other states, the ABF and the ABL can not be understated.

The season resulted in WA becoming national champions at three levels:

- Alcohol. Think Again Perth HEAT – ABL National Champions with back to back wins;
- the U14's; and
- the Women's

Other achievements include:

- U16's – 6th place
- U18's – 3rd place
- U23's – 3rd place
- South Perth – State League Champions
- North Metropolitan – Little League Champions
- Batavia Blaze – Little League Regional Champions

All participants, coaching staff and officials are to be congratulated for this outstanding effort. The parents, family and friends of participants should not be forgotten for their physical, financial and emotional support that has allowed their children to achieve their goals.

The Board has had a productive year with reviews and the updating of the Constitution (to be endorsed tonight), the Governance Policy and a number of other BWA Policies. The 2012-15 Strategic Plan has been developed and

implemented, as has the 2012-13 Budget and Operational Framework.

We were successful in securing a Chevron Community Spirits Grant and a Regional Development Grant from BHP for Port Hedland and Newman. We again received terrific support from the State Government via the Department of Sport and Recreation in the continued funding for High Performance, Inclusive Services and Diamond Academy grants. Additionally we again received a significant grant from Healthways.

We currently have an application before government for substantial upgrades to our facilities and are hopeful it will receive a favourable response.

Without the above financial support from the Government of Western Australia, through the Department of Sport and Recreation, and Healthways, and the corporate sector, we would not be able to provide the level of participation and achieve the successes we do in the sport of baseball in Western Australia. I therefore wish to express my gratitude for their ongoing support of Baseball WA.

I wish to thank TBAWA and Softball WA for their continued strategic partnership.

I would also like to thank the Australian Baseball Federation (ABF), the Australian Baseball League (ABL) and the West Australian Sports Federation (WASF) for their strategic and operational support of Baseball WA.

In closing, I would like to express my gratitude to the hard working staff at Baseball WA under the leadership

of General Manager, Lachlan Dale and to my fellow directors for their assistance and support throughout the year.

Stephen Byrne
Chairman, Board of Directors
Baseball WA

Baseball WA Ltd

General Manager's Report

As another exciting year passes I would like to extend my appreciation and thanks to everyone in WA who have contributed to the growth and development of our sport. It is a pleasure to see staff, clubs, players, volunteers and families working in the same direction to ensure success, not only for our state, but the rest of Australia. I must also thank Baseball WA's major supporters in the Department of Sport and Recreation, Healthway, Australian Baseball Federation, Perth HEAT, Tee-ball Association of WA, Australian Baseball League and Major League Baseball. Without their support our State would not have the ability to grow and take our success to the next level.

Below you will find a brief outline of our programmes and outcomes through the past year.

TEEBALL PARTNERSHIP

- Northwest Teeball Championships – November 2011
- Southwest Teeball Championship – September 2011
- Perth HEAT Pre-Game Teeball – Home games 2011-12
- State Teeball Championships – March 2012
- Strengthening relationship between BWA and TBAWA through attendance at Teeball Delegates Meetings
- Increasing partnership with regional development programmes through Inclusive Services funding

WINTER PROGRAMME

- 2011 Winter Programme/Diamond Academy had over 200 participants
- 2011 Winter Programme runs 7 days per week for 10 weeks
- Women's (Sundays)
- Little League Development (Saturdays at Wanneroo and Barbagallo Ballpark)
- State Winter Programme (Under 14's Tuesday and Thursday, 16's and 18's Monday and Wednesday)
- Diamond Academy (Monday, Wednesday, Friday)

REGIONAL DEVELOPMENT (TEEBALL AND BASEBALL)

- Broome, Karratha, Wickham, Dampier, Pannawonica, Port Hedland, Paraburdoo, Tom Price, Newman, Kalgoorlie, Geraldton, Dunsborough, Busselton, Bunbury, Esperance.

HIGH PERFORMANCE

- The Diamond Sports Academy receives a funding grant from Department of Sport and Recreation in conjunction with Softball. This

combined with the support from the ABF and Baseball WA allows our programme to development for future success.

- Don Kyle resigned from his position as High Performance Manager. Baseball WA and the baseball community wish to thank Don for his many years of service in the game. He has truly left baseball in a better position. Don was honoured on field at a Perth HEAT game this season with a standing ovation for his legacy in our sport.
- With Don Kyle's resignation, Baseball WA saw the need for a review and re-structure of the programme. This has seen Steve Fish take on the role of Player Development Manager in WA. Steve will lead the High Performance programme into the future and I know he will be successful with his experience, hard work, dedication and passion for the development of elite athletes.
- Steve is supported by a strong contingent of coaches through the State Team, Diamond Sports Academy and Winter Programme. Specialist coaches will join the programme this season and an integral link to High Performance will be the strong relationship with the Perth Heat and its abundant talent.
- Yasunori Sato, video scout in Japan, worked and travelled with the Perth HEAT and State Team programmes to provide video analysis of all athletes. Yasunori worked closely with Steve Fish and the HEAT coaching staff analysing and improving player's technique and skill.
- Perth HEAT Colts Tour 2012 saw 40 players and 7 coaches' travel to the West coast of the USA competing in a total of 89 games against the top high school programmes and academies. This tour is designed to maximise the preparation for our elite athletes for college and professional life and give a baseball experience of a lifetime.

HIGH PERFORMANCE PLAYERS/OFFICIALS

- Ben Shorto signed a professional contract with the Cleveland Indians
- Warwick Saupold signed with the Detroit Tigers
- Allan De San Miguel signed with the Baltimore Orioles
- Brendan Wise signed with the Minnesota Twins
- Currently signed Professional Players Luke Hughes AAA/MLB, Tim Kennelly AA, Matt Kennelly AA, Alan De San Miguel AA, Brendan

- Wise AAA, Cameron Lamb A-SS, Liam Hendriks MLB, Corey Adamson A-, Elliot Hargreaves R
- Baltimore Orioles Imports Aaron Baker, Mychal Givens, Brenden Webb, Darryl Crosier
- Jarrod Zahradnik, Ben Shorto – AA World Championships for Australia
- Brett Robson AAA, Jon Byrne AAA, Travis Hatch AAA
- 27 College Players from WA in the USA in 2011

PROFESSIONAL DEVELOPMENT

- Leading and Managing for Results – Lachlan Dale completed course over 12 weeks
- MLBAAP – Don Kyle attended for 4 weeks
- MLBAAP – Ryan Schurman attended for 2 weeks
- CoachesBreakfastwithGlennStewart–HighPerformance Manager of the West Coast Eagles – 12 Coaches attended
- Dealing with Conflict and Difficult People – 7 Umpires attended
- AdvancedOfficiatingGeneralPrinciplesCourse–4Umpires attended
- Developing Champions – 20 players attend quarterly

TOURNAMENTS

- Perth HEAT (National Champions) – Brooke Knight
- Under 18's (3rd) – Mark Pettit
- Under 16's (5th) – Nathan Lovick
- Under 14's (1st) – Chris Eckley
- Women's (1st) – Lee Darracott
- Under 23's (5th) – Rod Drew
- Schoolboys (3rd) – Mark Pettit
- State League
- South Perth – Andrew Kyle
- Little League State Championships
 - Perth Metro North (Metro) – Murray Kempton
 - Eastern Phantoms (Metro 2nd) – Chris House
 - Batavia Blaze (Regional) – Shaun Nicoletto

FACILITY DEVELOPMENT – PLANNING

- Indoor batting cages and pitching mounds in Centrefield Shed
- Reduce foul territory and expand existing batting cages and bullpens
- Increased spectator seating down RF and LF lines to increase capacity
- Increase amenities to cope with increased attendance
- Fully operational electronic scoreboard
- Development of a traffic management plan
- Power and internet upgrade to accommodate capacity
- Permanent Corporate structure completed
- Additional grandstand becomes permanent fixture
- Ticketing system overhaul
- Transportable Office now operational
- Gymnasium
- Stratco Terrace
- Temporary marquees installed

PERTH HEAT – Australian Baseball League

- 'Alcohol Think Again' Perth HEAT won their second ABL Championship going back to back.
- Season consisted of 6 Spring Training games, 45 Regular Season games, and playoffs. Championship series was played in Perth at Barbagallo Ballpark
- Live to Fox Sports coverage of the Championship series. This saw facility alterations in order to accommodate 12 Fox Sports cameras, scaffolding and cherry pickers. This telecast was also viewed on the MLB network and consistently made news headlines on MLB.com
- WA also hosted the inaugural ABL All-Star game in December 2011. The telecast went to 330 million households in Asia and 50 million household in the US. Additionally watched on MLB Network in the US (subscription based online network).
- Baseball WA worked closely with the Perth HEAT and Australian Baseball League.
- Volunteers from Baseball WA were tremendous in ensuring smooth operations ran for all Perth HEAT events.
- The Perth HEAT also conducted an internship programme which allowed up to 10 US interns to join the baseball team in Perth to ensure promotion and marketing of Baseball in WA was sound.
- Baseball WA funded all facility upgrades to Barbagallo Ballpark to ensure a world class facility was available.
- Major Sponsors of Heathway (Alcohol Think Again) as naming rights to the team and Barbagallo has naming rights to the stadium (Barbagallo Ballpark)
- 121 Player Appearances by the Perth HEAT at junior competition, little league, tee ball, schools, camps and public events.

ADMINISTRATION

- 4 full-time staff members. General Manager – Lachlan Dale, Development Officer – Steve Fish, Regional Development Officer – Lee Darracott, Facility Manager – Rod Drew. A number of other positions at Baseball WA are supported with honorariums.
- Rental offices at Sports Lotteries House Claremont.
- Baseball WA is in a stable financial position. Our finances are maintained by Raylene Glossop who operates this department on a fortnightly basis.
- Competitions department has been outstanding all year and especially in re-scheduling games to accommodate the Perth HEAT games and playoffs. Both Andrew Todd and Mark Richardson worked hard to ensure all competitions and fixturing was as smooth as possible.

In my second year as General Manager of Baseball WA I would like to make special thanks Brett Pickett, Peter Gahan and the staff at the ABF for supporting me at all time as I get further into my role. It has been every bit as exciting, challenging and rewarding as I had hoped and I look forward to many years ahead of growth and ensuring the sustainability of the game of baseball that we all love.

Lachlan Dale

Baseball WA Ltd

STATE WINTER HEAT TRIP TO USA

(June 15th – July 23rd 2012)

The 2012 State Winter HEAT Colts trip to the USA was another fantastic success. This year we took 40 kids and 7 coaches to the west coast of the USA. Our stops included (in order) San Francisco, Eureka CA, Grants Pass OR, Vancouver WA, Seattle WA, Portland OR, Bend OR, Roseburg OR, Medford OR, Sacramento CA, Oakland CA, and we finished in San Francisco. The varsity team played tournaments in Eureka, California, Portland,

Oregon, and Bend, Oregon, and our JV played tournaments in Vancouver, Washington.

In addition, we added players from Dubai, NZ, and Victoria to fill our rosters in the USA due to player injuries.

Some interesting facts:

- 89 games
- We drove 3,660 miles (5890km)
 - o 2 Chevy Tahoe's, 4 (12) seat vans, and 2 (6ft x 12ft) trailers
 - o 2 blown tires
- Daniel Bradley (NZ) received a college scholarship
- Luke Hughes helped coach during our final weekend in Sacramento
- Zeno Stone (Dubai) will finish year 12 in the USA at Summit High School in Bend, Oregon
- 4 players stayed on in the USA to play college baseball (Hotvedt, Waldock, Veale, Stuart)
- In two of the three tournaments we participated in, both of our varsity teams met each other in the championship game
- Bobby Goss Tournament Champions (Eureka, California)
- Summit Classic Tournament Champions (Bend, Oregon)

Our Records for all 3 teams:

Overall (3 teams) – 52-37

Varsity I (19U) – 18-9

Varsity II (19U) – 14-14

Junior Varsity (16U) – 20-14

MLB Games Attended

San Diego Padres @ Oakland A's

Oakland A's @ Seattle Mariners

New York Yankees @ Oakland A's

Tours

Alcatraz Penitentiary (San Francisco)

Whitewater Rafting (Deschutes River, Oregon)

Mt Hood National Recreation Area

Crater Lake National Park

Space Needle (Seattle)

SUMMARY

Junior numbers continue to grow rapidly I am pleased to report that we should have over 100 Little League teams state wide entering the 2011-12 season. Regional Baseball has expanded into 11 towns with a few more in the works during the upcoming season. The presence of the Australian Baseball League has attracted many of our newcomers and the transition from Tee-ball to baseball, and age cutoffs, at an earlier age has also allowed us to draw more numbers. I would like to thank all of our development volunteers and coaches for their help this season. Without you, we wouldn't be where we are at today.

Steve Fish

OVERSEAS PLAYERS

28 College Baseball Players, 13 Professional Players and 3 umpires represented Western Australia in the USA during the 2011-2012 Season

COLLEGE PLAYERS	WA CLUB	COLLEGE	
Sam Jew	Gosnells	Arkansas State University	
Brodie Mitchell	Gosnells	Allen Community College (Kansas)

Council Chairman / Competition Manager's Report

The ABL caused a few fixturing issues due to hosting two home finals, but once again clubs made some changes to the fixtures which allowed the HEAT to have the best available players available for the finals and ultimately a consecutive championship.

The 2011-2012 saw a new club admitted into the State League Competition. The Rockingham Rams joined State League for the first time and had a successful transition into State League.

The season was an exciting one for the State League especially with a new team. The format reverted back to one division of play instead of the North v South format.

Perth Mets had big turnaround from last year and was the State League Minor Premiers. Fifth spot was up for grabs with only a few games remaining before the top 5 was finalised. Congratulations to Wembley for making the finals after a successful year. Congratulations to South Perth on winning the State League premiership.

The Provincial League was well organised by Justin Stillitano and company, Justin spent a lot time on the phone and via email organising teams for the Provincial Leagues to make in still competitive. This was made more difficult due to Rockingham being admitted into State League.

The Women's Competitions saw South Perth enter a team for the 2011-2012 season. The regular season was evenly

balanced with no one team dominating the season South Perth was the Minor Premiers. In a replay of the previous year's Grand Final Morley Eagles reversed the result on the Braves Baseball club and won the Grand Final.

Congratulations to all the Senior and Junior teams that played in the finals in 2011-2012, Thank you to Gosnells for making Tom Bateman available to host all the junior Grand Finals. This is a great venue along with Barbagallo Ballpark for hosting all junior Finals at one venue.

I would like thank the members of the Competitions Department for their support throughout the season and for the jobs that they do in their respective roles without them the BWA competitions can't run during the season.

Lachlan Dale – BWA General Manager
Natalie Todd – Registrar, Statistics and Game Reports
Dave Adamson – Member of the Competitions Executive Committee
Geoff Hooker – Member of the Competitions Executive Committee
Mark Richardson – Fixturing
Dave Gripper – Umpires and Tribunal
Frank Robertson – Chairman P&D
Ron Doorn – Website

Baseball WA Ltd

Umpires Adviser's Report

It gives me great pleasure to be able to report a real strengthening of our core umpire group over the last 12 months. In particular, at the top end, we now have the ability to choose from up to 15 umpires for jobs in State League and Triple A baseball. Creating competition for a position each week can only help to bring out the best in our umpires.

Without any input from Kyle Byrne this season, an opportunity was created for Chris Rapley to devise and deliver our pre-season training programme. It is important for umpires, other than me, to have input into the training programme to ensure our training remains fresh and relevant. My appreciation goes to Peter Bowie for his continued assistance in training the new recruits. The training facilities at Balcatta Baseball Club are perfect for our needs and our thanks go to Balcatta Baseball Club for allowing us to use their facilities for both pre-season training and our Rules and Mechanics meetings throughout the season.

We had excellent attendances at training and also at Rules and Mechanics meetings. It is a credit to the group that you continue to use this time to learn something new or just to reinforce your understanding of the rules. Continued improvement to the structure of our Rules and Mechanics meetings has allowed for a better learning environment for everyone involved. My thanks go to both Chris Rapley and Lou Bonomi for their assistance with these meetings.

With our umpiring base continuing to age, it is important for all of us to look out for and to encourage others to become umpires. There are several candidates around, and while they may wish to continue playing for a few years, we would welcome them with open arms to our ranks.

While we did not have many opportunities to utilise the services of Brett Robson and Jon Byrne this season, they did make themselves available at Rules and Mechanics meetings and we are indebted for their continued loyalty to our umpiring panel. We will probably not see much of

Jon in the future as he builds a new home and a new future in USA with his lovely wife, Kim. We wish them all that is good for the future.

Next season will see some more tweaking of the pre-season training programme to ensure that it remains fresh and relevant. You should all be aware that our programmes in WA continue to produce the best umpires in Australia. This fact was borne out by ABL deciding to "travel" both Jon Byrne and Travis Hatch regularly throughout the ABL season to try to lift the level of umpiring interstate.

Finally, it would be remiss of me not to mention the sad passing of Frank Robertson in March 2012. Frank was not only a great member of our association, but to me he was also a mentor and long-time friend. The condolences of the entire umpiring group go to Merrill and family. RIP buddy.

David Gripper
President and Umpires Advisor

2012 IBAF WOMEN'S WORLD CUP UMPIRING APPOINTMENT

The WABUA congratulates Fiona Lambrick on her umpiring appointment for the 5th Women's World Cup, to be held in Edmonton, Alberta,

Canada from 10 to 19 August.

Fiona's appointment is the first for a WABUA member to a Women's World Cup, and is the first international appointment made to a WABUA member in nearly 20 years.

WABUA President, David Gripper praised Fiona's efforts over the past season. "Fiona has an exceptional work ethic and this appointment is just reward for many years of hard work" Gripper said.

Baseball WA Ltd

Scorers and Statisticians President's Report

Firstly, I would like to thank the committed committee that assisted me this year. The start of the year was a bit rocky with members taking on new roles but I am happy to report that everything ran very smoothly. All members are highly active members of the baseball community and their opinions and support has made this a very good year for the Association.

The first issue of business this year was to update the existing PowerPoint presentations that were being used for our level 1 clinic. The new PowerPoint has moving figures and the response from this was overwhelming. People found this method better as they did not have to visualise what the instructors were saying as they had the picture/diagram in front of them. I would like to give a big thank you to Gabbie Rawlinson and Travis Kalin for their help in fine tuning this. This year we were able to reach 120 people through scoring clinics which I believe to be an enormous achievement for the committee.

This season we had an overwhelming number of members looking to do exams which was fantastic. We had 15 members attempt Level 1, two members attempt Level 2, three members attempt level 3, three members attempt IT and one member attempt level 4. All these ladies should be congratulated as this is the highest number of members that we have ever had sit exams in one year.

Joedy Hardie and I attended the Council of Australian Baseball Scorers Conference in Melbourne. This year's conference was about maintaining members and what we can do to increase numbers. We brought back a lot of information to the committee about the conference and if we look at our membership this year opposed to last year, it appears that we are doing well.

We had another very busy year with the Alcohol. Think Again Perth HEAT schedule increasing. A big thank you to all the ladies that assisted in the scoring at the HEAT and congratulations to the Perth Heat in another very successful

year. Debbie Redman, Carolyn White, Rae Coleman, June Anderson and Christine Sorensen all scored in the National Youth Championship. Congratulations to the ladies on all the positive reports that have come back from these tournaments.

I would like to give a HUGE thank you to the members of our committee that took on a grade of stats that were entered every week and displayed in the BWA Metro website throughout the season. This was a big undertaking. Thank you ladies as this was well received by the players.

Lastly I would like to thank the members of WABSSA for the honour of allowing me to lead this association this year as it was a pleasure and I look forward to the challenges that lay ahead.

Best regards

Natalie Todd, President

SECTION 6: NATIONALS AND BEYOND

Steve Fish

Perth has captured the first Little League National Championship for WA since its inception in 2008. Led by Coach Murray Kempton, and 3 returners from last year's national runner-up team, Perth Metro North breezed its way through the National Championship game by a score of 29-2 vs the Yarra Rangers from Victoria.

In the Quarterfinal match vs Brisbane North, Jed Hamburg shined the way for the Northern Metros with an outstanding pitching performance giving the Metros a 12-2 victory. The offense came out tough in the first inning and scored 6 runs.

Dawson Summers, Jackson Riley and Orlando LaRosa led the charge on the final day. La Rosa picked up the win in a thrilling 1-0 extra innings semifinal game vs Brisbane South. Dawson Summers hit a mammoth walk-off home run in the bottom of the 7th inning to lead Perth North to its second consecutive National Championship Grand Final appearance. Solid shutout pitching by Tama Pihama (2 innings), Jackson Riley (4 innings), and Orlando La Rosa (1 inning).

The grand final started off with a bang, with Orlando La Rosa hitting a 3 run moonshot in the top of the 1st putting the Northern Metro's up 3-0. North continued to swing the bats in the 2nd inning when Dawson Summers hit another 3-run towering home run to left field, almost putting the game out of reach in the 2nd inning. By the 3rd inning, Yarra's pitching had been depleted and Perth Metro North put up an additional 12 runs making the score 20-1. After adding on another 9 runs in the 4th inning with another Dawson Summers home run, Perth mercied the national runner up 29-2 and still had their ace in their back pocket to finish up the final inning.

Lincoln Kempton pitched a superb 3 innings to earn the win against an offense that had swung its way past the rest of the tournament bracket. La Rosa's defensive prowess in the first few innings kept Yarra from threatening to score, and he also finished off the grand final game with a diving catch.

The 2012 Australian Little League National Championship Team

Byron Armstrong - Wanneroo	Orlando La Rosa - Carine
Gyles Baker - Wanneroo	Mark Lori - Carine
Connor Dobson - Wanneroo	Tama Pihama - North Coast
Max Dowling - Carine	Jackson Riley - Wanneroo
Jed Hamburg - Carine	Dawson Summers - Wanneroo
Lincoln Kempton - Carine	Zak Thompson - Carine
Axel King - Carine	Chad Zahradnik - Carine

Congratulations to Perth Metro North and their coaches Murray Kempton, Dean White, and Alex Zahradnik, EO Andrea Coffey, and Scorer Kylie Armstrong for capturing the first Little League National Championship for WA.

WA was also represented by Batavia and Perth Metro East.

Masters President's Report

It was decided that this season be extended to 3 rounds. This resulted in mixed feelings judging from comments made to me. Some felt it was too long others felt it was a good move. Maybe age was behind these comments.

Rain out on 2 nights, in consultation with the co-ordinators, reduced the playing of games by Eagles, Indians and Cubs by 2 games and the Cougars and Bears by 1.

The final standings are as follows:

Team	G	W	L	R/O	Pts
Eagles	10	9	1	2	18
Indians	10	7	3	2	14
Bears	11	6	5	1	12
Cubs	10	4	6	2	8
Cougars	11	0	11	1	0

AWARDS

The MVP award this season resulted in a tie with Darren Travina and Michael Treasure of the Indians each receiving 9 votes.

The Team batting awards went to the following players:

Team	Player	Average
Cubs	Dion Pilgrim	.474
Cubs	Steve Sullivan	.474
Bears	Ron Zatella	.500
Cougars	Brad Jackson	.529
Indians	Darren Travina	.560

PICTURED BELOW: Ron Malcolm receiving the "Doug and Rose Corker" perpetual Premiership Trophy

Mark Cook lead the Eagles and the League with a batting average of .688

Congratulations to our Award winners.

Apologies to Steve Sullivan for over looking his tie in the Cubs batting and not having a trophy ready to present. This has been rectified.

APPRECIATION

Our thanks go to Franklins Tavern for their great support. Christine Dodd has again helped us out with supplying the canteen needs and her generosity of taking back unsold stock has been a great help.

Christine Sapienza has been taking care of our finances again this season and we will receive the report later in this AGM. Thank you Chris for your help.

To the bye teams, your assistance in running the canteen has been a valuable contribution to the success of our competition.

To the umpires who assisted this season, I thank you for your contribution. Many have not claimed payment, we thank them for that.

Last but not least our thanks go to Kaye Timms for her work with the Secretary duties and overseeing the operation of the canteen.

PICTURED BELOW: MVP: Tied with 9 votes each Darren Travina and Michael Treasure

PICTURD ABOVE: Premiership Team

COMMENTS

This season our finances have not been as strong as previous and therefore we were not able to support State teams as before.

The Allstar Game was played after a Perth HEAT game and a good number of spectators stayed on to watch. I would suggest we negotiate with Perth HEAT and to again play in a similar time slot. We also need to put the best players into this game.

Finally on behalf of Doug and Rose Corker and myself. Awarding Life Membership to us was an honour and we greatly appreciate this recognition.

To the incoming management committee I wish all the best for the coming season

Alcohol.Think Again Perth HEAT

Managing Director's Report*

Perth HEAT CEO / Chairman

The 2011/12 baseball year was the most rewarding and satisfying I have experienced. It was the realisation of several years of hard work by many dedicated staff and volunteers.

Three national championships this year continues to demonstrate that BWA Player Development is the best in the country. Steve Fish has simply been magnificent in managing player development all the way from Little League to professional level. As our high performance programmes continue to mature, we can expect even more success at the national level.

The 2012 Alcohol.Think Again Perth HEAT ABL Championship was the culmination of one of the most exciting baseball seasons in recent memory. It was the

fourth National Championship for BWA and the HEAT in the past five years. There have been several key drivers to this success, beginning with Shane Tonkin, Trevor Schumm, Gordon Gerlach, Don Kyle and Brooke Knight. All have provided the organisation with management of a winning culture that is extremely difficult to develop at a national level.

Over the past two seasons Brooke Knight has taken our winning culture to a new level. His presence in WA baseball has had a far reaching effect that will continue to influence baseball in Australia for years to come.

The Australian Baseball League (ABL) continues to provide valuable and far reaching benefits to baseball in WA and Baseball WA as an organisation. In addition to the high profile marketing and promotion of our game, the ABL directly resources and supports Barbagallo Ballpark, its continued development, regional initiatives, high performance and BWA administration. Thank you to ABL management for its understanding and support of our structure and organisational goals.

The Teeball Association of WA have continued to support Baseball WA and the agreed pathway developed with its executive in 2006. Di Bryson and the Executive Committee at TBAWA are fantastic supporters of baseball and TBAWA is a proud partner of BWA and the HEAT.

In 2011, TBAWA Chief Coach, Peter McCormack became the Diamond Sports Inclusive Services Officer and embarked on a programme that has exposed Teeball, Baseball and Softball to thousands of children and families who may otherwise have never had a chance to play our great game. Our inclusive Service programme is an exciting partnership incorporating all three codes of Diamond Sports in WA.

In April 2012, it was my pleasure to attend the Baseball WA Little League State Championships. This year's tournament showed, more than ever before, fantastic depth of talent combined with a vibrant, enthusiastic participation environment for a wide ranging skill level. The development of the Little

League department has been spectacular, such that it must be a consideration for the board to shape the next evolution of BWA around Little League.

Although regional development remains a major focus for BWA and Diamond Sports in general, we continue to be significantly under resourced in this area of operations. As we enter an era where it is very likely our children will have futures in regional WA, it's in the interests of everyone in the Diamond Sports community to do all they can to help with the provision of resources and infrastructure for our game in regional WA.

I stepped down as Baseball WA Managing Director in September 2011 and, in April 2012, transitioned out of the Alcohol.Think Again Perth HEAT CEO position to become its Chairman. Both moves were necessary in order to spend more time with my family and refocus some attention on my business. This concludes seven years of full-time effort in the rebuilding of Baseball WA, however, I will continue to assist in limited operational roles and as a board member for the Alcohol.Think Again Perth HEAT.

Geoff Hooker

* Baseball WA Managing Director until September 2011

Alcohol.Think Again Perth HEAT

General Manager's Report

The 2011-12 season featured plenty of positives for the HEAT, both on and off the field. While the on-field successes will not be soon forgotten, the behind-the-scenes accomplishments that led to a 2011-12 Administration of the Year Award should certainly not go unnoticed. We could not have earned such

an award without an incredible front office staff who put in countless hours to ensure the productivity detailed below.

ATTENDANCE

Our fan support continues to grow and grow, proven by the ballpark atmosphere that has emerged as the best in the ABL. As a staff, we achieved over 100% increase from the year prior in membership sales as we incorporated a strong renewal program and active offseason campaigns through appearances at baseball clubs, special events, and royal show. Although general attendance still has room for growth, we know that with continued hard work will come larger crowds at Barbagallo Ballpark for years to come.

CLAXTON SHIELD TOUR

Winning back-to-back championships comes with a responsibility to help those less fortunate and to connect with the community we live in. We are proud to have participated in a myriad of charitable events including several fundraising events for the PMH Foundation, World's Greatest Shave, a Perth Wheelcats game, a walk to support MND awareness, and a cook-off to raise funds for

MS! The Shield has also made its way to a Freo Dockers game, the TBWA State Championships, and many other events all over the Perth metropolitan area.

PERTH HEAT 'GOING GREEN'

The HEAT are proud and excited to announce the impending implementation of several new initiatives that will help our already successful business become friendlier to the environment. Make sure to catch our dedicated 'Green Series' in December to learn about what the HEAT are doing and how you can support the 'Go Green' movement in your own home!

GOLF DAY

Perth HEAT Corporate Golf Day has been a successful event for several years now and will be back for another go on October 3rd! Visit www.perthheat.com.au to register for your business and play 18 holes with the likes of Luke Hughes and Tim Kennelly!

LOOKING AHEAD

With memberships selling rapidly, it looks as though even more fans will be on board and have the pleasure of enjoying the best baseball Australia has to offer during 2012-13. Combine a packed ballpark with a new motivated and brilliant staff and we believe we have the recipe for the best baseball season Perth has seen to date. Make sure you're along for the ride, as we look to keep the Claxton Shield in WA for a third year in a row!

Alex Pellerano
Alcohol.Think Again Perth HEAT, GM

Alcohol.Think Again Perth HEAT

Letter from the Manager

It has only been a couple of weeks since our epic battle with the Aces and I just wanted to drop you all a line to let you know how proud I am of what we achieved. I often think about this team and what made us tick, what kept us a step ahead of our peers, what got us over the line at the end. Although we could point to many different factors that helped us attain greatness throughout our season, it still boils down to trust, a commitment to winning, and a consistent loyalty to a system that is put in place by management.

I wanted to take a minute to thank all of you for 'buying in', or as Jamie would say it, 'Trust the system, trust the system', with a hint of sarcasm in his voice as he cheerfully mocked my 'speech' from the clubhouse. Any organization that wants to be successful needs people within it who are willing to step outside of their comfort zone, and buy in to the principles and strategies set forth by the institution. Companies and teams that have this core directive can still make mistakes along the way, but they will always find a way to position themselves well at the end of the journey. On the contrary, teams who may have a similar mission in mind, yet fail to get buy in from individuals within; due to misguided concepts, inconsistent behaviour, and ego, don't tend to finish leading the masses. That is a reality of life.

I realize that there was a paradigm shift from years prior as it relates to structure, approach, and competitive strategy. Change is and will always be difficult to embrace. Change is hard, and there are early moments of discomfort and anxiety for all parties. It takes time, and it takes consistency. Fortunately, there was no need to change the core people within our organization and the individuals that make up the Perth HEAT. We have always had the right athletes, and this has been reflected through prior success and prior championship achievements. The new regime probably brought a more aggressive style of play;

something that I firmly believe is undervalued in the game we all love so much.

Years and years ago, when our game was in its infancy in the 20's and 30's, things were different. It was rough, dirty, and unforgiving. Playing dirty was not only acceptable; it was expected by players and fans alike. The old AFL (American Football League) was no different (before the restructure of the NFL). Kicking a guy in

the gut, or snapping his finger in the middle of a pile, was just part of the landscape in the 50's and 60's. Fortunately, things have changed over the years, professionalism has prevailed, and careers have been protected.

Were we aggressive in most aspects of the game? Yes. Was it with the goal in mind that we can both develop as individuals/players and have intent to win, all at the same time? Yes. These two goals are not mutually exclusive, and in fact, go hand in hand on great teams. What I am most proud of though... is the way we went about our business. We may have had more W's in the win column, but what resonates with me, and I hope will mean more to all of you as the weeks and months go by, is the WAY we did it. We showed a competitive spirit and a fiery passion, but we did it with class. We never chipped at opposing managers or players (unless otherwise instigated), even when we were given plenty of reasons to join the mediocrity. It is not easy to take the high road, and we took it. Leading by example, as an individual or as a group, can be a lonely place to be, and I commend all of you on respecting the game and helping to perpetuate a cleaner, more productive brand of baseball in Australia. It is only fitting that the most successful team in the competition also sets the example that it is baseball first, ego second, and not the other way around. Don't think for a minute that those who have this clearly defined in their own mind don't win more and achieve more, because they do, and always will. Energy is spent on goal-oriented behaviour, rather

than being wasted on external factors that play no role in achieving the goal.

It has been such a privilege to be a part of the Alcohol. Think Again Perth HEAT organization. Thank you to all of you for allowing me to join the family, and work towards cooperative greatness. I hope you all feel like there were 'value-added' moments for each of you as individuals, because you were part of our team. You have all helped provide me with memories that I will cherish for years to come.

As I stated in the club rooms next door before our final game. Hang on to the relationships that were created and developed over the past few months. Take solace in knowing that I will always be here to support all of you in any way I can, should you be in a time of need, and please don't hesitate to check in with me now and then to let me know how you're doing and how life is treating you.

Gratefully,

Brooke Knight, Field Manager

Championship Series Spotlight: Brooke Knight

“You adapt, you evolve, you change, or you die. That's what this league is all about.”

Those are the words of Brooke Knight, manager of the 'Alcohol. Think Again' Perth HEAT. Knight, in his second year at the helm, is charged with the task this weekend of beating the Jet Couriers Melbourne Aces to earn back-to-back Australian Baseball League championships, and securing two Claxton Shields in his two years in charge.

After leading his team to a historic 34-11 regular season record and cruising into the top seed in the postseason, there are high expectations to finish the season strong. As manager, he's embracing those high expectations and using it as extra motivation to push for the top. Adapt.

“It would be silly to think that everybody within the organization wouldn't be disappointed if we didn't get the

job done,” the American said, with a slight smile on his face. “It's been that kind of year, we've had that kind of run, we've had that kind of chemistry. Baseball's fickle enough where it doesn't mean we're guaranteed to close the door here, but we would surely hope to. Nobody wants to sit around for 6 months thinking about what might have been.”

That kind of year, that kind of run, and that kind of chemistry has met a formidable opponent. The Melbourne Aces come into this 3-game series high after demolishing the Sydney Blue Sox in the decisive doubleheader of their Preliminary Grand Final, scoring 29 runs on the day. Knight knows that despite defeating the Victorian side in the Major Semifinal, it's going to be a completely different series. From the length of the series to the confidence their opponents will no doubt have, the HEAT manager's

Knight noted. "But the pitching staff has really turned over a lot. We had guys like Ben Moore, (Daniel) Schmidt, and (Trevor) Caughey going last year. This year we've got a different look with Virgil (Vasquez), an experienced veteran, and Warwick Saupold, a guy who's really really improved. We've had to make a lot of adjustments on the run."

So with adjustments in hand, Knight is poised to make a run at back-to-back championships for the HEAT, cementing Perth's elite status in Australian baseball. With a mix of home grown talent and imported assistance, Knight has the tools to make it happen. And to him, the tools are what matter.

"I think if you really love to compete and do it with a group of guys you care about, achieving things as a team is where the memories are made"

Knight said. "For me, it's an additional challenge to try and go back and do it again to prove it wasn't a one-off thing. But the memories really come when you look back on who you did it with and how you went about it and I think that's the challenge. Guys on our club, they just love to compete, and if you love to compete you love to compete."

Compete they will to the end. With Knight leading the charge, stopwatch hanging from his back pocket and catcher's helmet on, failure is not an option. They've adapted, they've evolved, and they've changed. After a stellar season, the one thing they don't want to change is who takes the Claxton Shield home.

Sourced from the HEAT website
by Kyle Bonn

mission objectives put a high significance on the opening game. Evolve.

"I think either way you really want to win game 1, which means you gotta win the first pitch," Knight said. "You just take it one at a time. It all comes out in the wash in the playoffs, and it generally will come down to one big pitch, one big swing, or one play in the field. That's just the way it goes when it's 2 out of 3, it's going to happen fast."

The fast pace won't be catching the HEAT or its skipper off guard, something that will be essential to mentally defeating your opponent. Mental strength has been just that, a strength, for the HEAT this season, and it all starts from the top. Knight is known as a fiery manager who connects with his players and isn't afraid to express his opinion, but doesn't let petty issues on the field get in the way of his ultimate goals.

"I try to just get caught up in the moment, whatever team I happen to be with," said Knight. "Try to do things the right way on the field, act like professionals, not get caught up in some of the base-level banter, and really focus on playing the game."

Having already won a championship last season, this year's squad has forced Knight to make some stylistic adjustments with lineups, pitching staffs, and the like. But in the end, he finds himself playing for the same result, a testament to his managerial abilities. Change.

"We've obviously had some changes with (James) McOwen and (Mychal) Givens and (Brenden) Webb as opposed to where (last years players Ronnie) Welty and (Robbie) Widlansky and (Cole) McCurry were last year,"

2012 Helms Award Winner: Tim Kennelly

SYDNEY, 25 February

The 2012 Helms Award winner was announced Saturday night at the Baseball Australia Diamond Awards proudly presented by Virgin Australia, and yet another accolade has been bestowed upon a member of the 'Alcohol.Think Again' Perth HEAT. Tim Kennelly was in attendance to receive the honour, having fought off fierce competition from his teammate Warwick Saupold and Canberra "UberGlobal" Cavalry slugger Brian Burgamy, the other two finalists. Kennelly displayed both surprise and humility in his receipt of this prestigious award, which have been presented to Australian baseball's most outstanding player since 1962.

"[I'm] a little bit [surprised], just because the level of competition was so good. Warwick Saupold pitched phenomenally and had a microscopic ERA this season. Saupold's success this season opened up the eyes of several professional teams and because of his impressive season he got signed, and I am glad he got signed. Brian Burgamy hitting over .400 on the season (and) playing stellar baseball for 45 games, my hat's off to

these guys. Honestly, I was surprised and excited to be recognized," Kennelly said.

All three candidates brought impressive credentials in making their case for the award, but Kennelly's season certainly made him worthy of selection. He earned the team's SAM BAT Silver Slugger Award, ranking first on the team in batting average (.374) and RBI (39), along with tying Alex Burg for the team home run lead (10). His batting average and RBI total also ranked second in the league.

On 30 December, he hit two home runs in each game of a doubleheader against the Bite, setting an ABL record with four in one day. He continued his success in the Postseason, hitting .323 with eight RBI in seven games. In addition to his hitting prowess, Kennelly provided outstanding defence at both third base and in the outfield, earning a Golden Glove nomination for his efforts.

He explained: "Being an MVP is recognition for being the player that helps the team and is a leader on and off the field. For me, it was being that leader and helping my team win. It was being one of the veterans of the team and helping to prepare my teammates both physically and mentally. Leading by example with Luke [Hughes] out for the most of the season, I stepped up to lead the team, and when he was unable to play in the Championship Series, he was there in spirit and I was there providing a veteran presence and contributing to the offence."

Although the future remains uncertain regarding the Helms honouree's path to the Majors, what is certain is

that he can carry the momentum gained in his outstanding ABL campaign right in the upcoming minor league season in the Philadelphia Phillies system.

“For me personally, this season has been big; it gives me a good mindset and gives me confidence going into spring training. A lot of guys who play ball don’t get the at-bats, or don’t participate in a winter league. If I get away from the game too long, then my skills become unpolished. The level of competition here is good and the at-bats are extremely helpful,” Kennelly commented.

Looking back on the HEAT’s successful championship repeat this season, it is apparent that Kennelly was a catalyst for the offence. His clutch hits, plate approach and presence in the locker room embodied everything an MVP is and should be. He joins HEAT teammate

James McOwen as the last two winners of the Helms Award after McOwen won it last year while playing for the Adelaide ETSA Bite. While Kennelly remained humble throughout the evening and spoke more of his team’s back-to-back Claxton Shield titles, the Australian Baseball League is proud to welcome him as the newest member of the Helms Award fraternity.

ABL Pitcher of the Year Award: Warwick Saupold

There’s an old adage that reads, “what a difference a year makes.” No one on the HEAT roster this season can

relate to that more than Warwick Saupold. The HEAT’s best starting pitcher this season and winner of this season’s Australian Baseball League’s Pitcher of the Year award, the Perth native has come leaps and bounds from last year.

Saupold finished last year’s regular season with a 5.52 ERA, and was generally left out of manager Brooke Knight’s postseason plans. This season, he cemented himself as the ace of the staff, sporting a 1.41 ERA, along with 53 strikeouts to 22 walks in 70 innings. Despite the HEAT winning it all last year, Saupold knows that a championship this season would mean a lot more to him personally.

“It’d be a dream come true, it’d be a year I’d never forget,” Saupold said. “That’s what we play for is a championship. Individual stuff comes and goes, but championships are forever, so I’m looking forward to this weekend.”

Saupold has also had an incredible season off the diamond. In addition to having won the ABL’s Pitcher of the Year

award, he was selected to pitch for Team Australia, and signed a professional baseball contract with the Detroit Tigers of Major League Baseball, an accomplishment that he attributes to his hard work and success this season.

"Mentally I got stronger from last year. I know if I had a rough inning or I gave up a couple of hits I was down in the dumps. So I just kept my head up this year and just went about my business. I knew I had good stuff, it was just trusting it that was the big thing."

So what's made the difference from last season to this one? Many people have tabbed the fact that Saupold lost weight and got in much better shape in the offseason, and he remains a staple in the HEAT's workout room throughout the season, constantly maintaining his fitness. Two-time World Series champion and HEAT pitching coach Graeme Lloyd attributes a lot of Saupold's success to his constant will to improve physically.

"Getting in shape the way he has, he's definitely lost some weight and he came ready this year," said Lloyd. "He's got a great attitude about going out there and throwing the ball and he challenges guys."

Lloyd also knows that this newfound fitness not only shows a determination to get better, but will also translate to success on the mound for Saupold.

"He could do it before, but for 3, 4 innings

maybe. But now, he could go and he's still strong right now," said Lloyd. "His fitness has really allowed him to repeat his mechanics over and over again, and if you do that you get consistency, and that's what he's doing."

Lloyd isn't the only member of the HEAT coaching staff who has taken notice to Saupold's physical ability. Manager Brooke Knight has also noted that Saupold's work ethic may have been a deciding factor in earning him a professional contract.

"He got his body into great shape, and he really wants to play at the next level," said Knight. "Somehow, some way, he wants to get a shot, and he's very serious about it, and now he knows he's got a real chance. He's 22, but he's got a real chance based on how he's a fighter and a real physical kid."

As Saupold continues to perform day in and day out for the HEAT, and gets set for his Game 2 start in the Championship Series on Saturday, in what could be the series-clinching game, he's made his manager one happy guy.

"I'm really proud of him," Knight said of Saupold. "It's nice to see him go out there and take control and command the game. He's clearly our most improved guy and he's stepping up his game every day."

Team Administration of the Year Award: Alcohol.Think Again Perth HEAT

The 2011/2012 ABL Season might just be considered to be the most successful so far for the 'Alcohol.Think Again' Perth HEAT. After securing back to back championships with the help of Helms Award Winner Tim Kennelly, Australian Baseballer of the Year Luke Hughes and Helms Award Candidate and Pitcher of the Year Warwick Saupold, the HEAT have picked up yet another award, winning the Team Administration of the Year at Saturday's Baseball Australia Diamond Awards.

After the Perth HEAT's on field product was able to deliver the goods for the second straight year at the Conoco Phillips Championship Series, the HEAT's Administration Team was able to celebrate for a job well done after working around the clock for 12 straight months to ensure the best possible experience for the players, fans, sponsors and officials throughout the season.

As the Australian Baseball League rises to prominence within the legion of sporting codes in Australia, the Perth HEAT enlisted a dedicated crew of staff and volunteers, many of whom work only for their passion for baseball and developing it Western Australia. Out of all of the Volunteers in the Perth HEAT organisation, HEAT CEO Geoff Hooker stands out. Donating much of his time to the Perth HEAT, Geoff Hooker has played an essential

part behind the scenes to help the HEAT become a sustainable entity while bringing four out of the last five Claxton Shields to Perth.

"Since 2004, Baseball WA (BWA) has embraced the leadership and resources of the Australian Baseball Federation (ABF)," said Hooker. "Now BWA and the 'Alcohol.Think Again' Perth HEAT continue to leverage the resources provided by the new Australian Baseball League. We are thankful and proud of our partnerships with BWA, the ABF and ABL."

"On a personal level, I must attribute the recent performance upgrades to the arrival of Alex Pellerano, who has embraced the business fundamentals, essential for the continued success in baseball."

Lead by General Manager Alex Pellerano, the HEAT staff consisted of a core of Perth-based employees as well as volunteers from America and Japan, whose skills in broadcasting, scouting, media relations, web-site design; photography, ticketing and game day operations helped the HEAT become a profitable organisation in only the second year of the MLB sponsored era. With Major League Baseball looking towards developing a sustainable league to develop local and international talent in Australia, the efforts of the HEAT staff to deliver a

profitable organisation at this early stage illustrates just how good an investment baseball in Australia can be.

“The HEAT has laid an incredible foundation,” said Pellerano. “Thanks in large part to Baseball WA’s efforts over the last decade. That network of baseball minded families and diamond sport participants make Perth an ideal location for an ABL franchise.”

“With the additional resources we’ve secured through Major League Baseball, and through the generous support of our corporate partners this season I believe the ceiling for our sport will continue to raise throughout the state and country.”

As a part of exporting Australian Baseball to the world the Perth HEAT, with the help of Daniel Presant and his production company Channel i, produced a state of the art game-day broadcast with multiple camera angles and commentary from SportFM and Heat Staff members throughout the season. Its success set the benchmark for the ABL game day broadcast and was quickly picked up by the iiNet internet channel to gain a much wider audience in Australia and internationally, as baseball starved fans in the United States tuned in to see their team’s prospects go to battle alongside Australia’s finest baseball talent.

The Perth HEAT hosted inaugural ABL All Star Game and Championship Series this season putting Barbagallo Ballpark in the international spotlight as Fox Sports came in to broadcast the games on Live TV throughout Australia and worldwide on the MLB Network and ESPN Asia.

With sell-out crowds packing Barbagallo to the brim, the HEAT staff and grounds crew worked overtime to ensure that both events would be a “Carnival of Baseball” for those in attendance and would be equally entertaining to the millions of fans tuning in around the globe.

As the Championship Series went the distance to the third game, and as the final two games stretched out to 13 innings, the HEAT staff continued to put the fans first as the entire season went down to the wire. At the bottom of the 13th inning in Game 3, the 8th inning or extras for the series, the HEAT players, staff and fans alike were rewarded for their efforts for the season as McOwen tore home on a wild pitch to send everyone into attendance into delirium.

As many of the HEAT’s players head back to America to play in the Majors and Minor Leagues, a majority of the Heat’s staff will do the same with vastly more experience, not only from their day to day works, but from the HEAT’s debut at the Asia Series, hosting the inaugural ABL All Star Game and the second consecutive ABL Championship Series. These events not only helped put Australian Baseball in the international spotlight by being broadcast into 36 countries, but forged valuable relationships with the Western Australian Government and Conoco Phillips who look continue their partnership with Baseball in WA and throughout Australia.

Kalamunda Rangers - Perth HEAT Baseball Buddies

Australian Baseball Player of the Year: Luke Hughes

Hughes was unable to attend the ceremony due to Spring Training commitments with the Twins in Florida. His acceptance speech was made by Baseball WA general manager Lachlan Dale on his behalf.

“While I am getting ready to start spring training and work towards my goal of making the team out of camp, it is refreshing to see that Australian baseball is growing stronger than ever and it’s a very exciting time for everybody involved in this great game. I have been lucky enough to play for 11 years in the Claxton Shield. To see the strength of the youth coming through today it is testament to every state’s commitment to strive for excellence year after year,” Hughes said.

Hughes is heading into a very crucial Spring Training with the Twins. He is now out of minor league options, and if he fails

The most prestigious honor awarded by the Australian Baseball League was announced last night at the Baseball Australian Diamond Awards presented by Virgin Australia. ‘Alcohol.Think Again’ Perth HEAT and Minnesota Twins player Luke Hughes was named Australian Baseball Player of the Year. The award recognizes Hughes’ contributions to Australian baseball as a player with both his hometown club and in Major League Baseball. Hughes has not let his success go to his head as he stays grounded with his continued support and play in the Australian Baseball League. The commitment Hughes has made for the past two seasons with his hometown team has not only been on the field but off the field as well. Even when he is not playing, he is an ambassador of the game here in Perth and throughout Australia.

“I’d like to take this opportunity to thank the Australian Baseball Federation and the Australian Baseball League for this prestigious award and to congratulate all the Baseball Australia Diamond Award winners tonight. In particular I would like to congratulate the three Hall of Fame inductees Richard Shirt, Simone Wearne and especially my close friend Glenn Williams,” Hughes said.

to make the roster out of Spring Training it is likely he will be claimed by another Major League club. As usual though, this Spring Training is no different to Hughes as he will battle for a roster spot as a utility infielder.

In addition, Hughes recognized and thanked his local West Australian supporters and mentors. “To Baseball WA, in particular Geoff Hooker and Lachlan Dale, the West Australian institute of sport, Don Kyle, the Perth HEAT (how about those heaters this year) and the Morley Eagles baseball club, thank you for steering me down the right path and always being there to help me along the way and never giving up on me. I definitely couldn’t have done it without all of you,” he said.

Luke Hughes and Tim Kennelly were not the only award recipients; the Perth HEAT proudly accepted another award at the BADA’s. The HEAT were crowned with the Top Administration Award, which recognizes the top front office in the Australian Baseball League. More on this award will be posted shortly

Australian Baseball Player Championships Series

MVP: Virgil Vasquez

Vasquez allowed just 5 hits and one run in the Gm. 1 win. (SMP Images/ Scott Powick)

PERTH, 13 February 2012

Following the 'Alcohol. Think Again' Perth Heat's victory in the 2012 ConocoPhillips ABL Championship Series, Game One starting pitcher Virgil Vasquez was named Championship Series Most Valuable Player. The American right-hander from Santa Barbara, California pitched a complete game on Friday night, allowing just five hits and one run to earn the important 4-1 first-game win for his team.

After Aces catcher Kevin David launched a long home run in the second inning, tying the score at 1-1, Vasquez shut down the Melbourne attack for the remainder of the night. Just four more base hits were recorded against him, none of which came after the sixth inning. Once the victory was in sight, he turned the intensity up a level, retiring the final 11 batters in order. He notched four of his eight strikeouts in the final three frames.

The righty's control was excellent, as 92 of his 122 pitches went for strikes. He showed great stamina, as well, maintaining his velocity throughout the contest. Matched

up with Travis Blackley, another hurler with Major League Baseball experience, Vasquez came out ahead and carried his team to the series lead, which they finished off on Sunday.

The 2003 seventh round draft pick of the Detroit Tigers joined the HEAT prior to Round 10 of the regular season and fit in immediately. In his four total starts for Perth, he pitched 27.2 innings, surrendering just seven runs (2.28 ERA) and striking out 22 overall. He suffered two broken wrists in a vehicle accident in April 2010 and has been working his way back since, with this stint in the ABL showing that he is not only healthy, but ready to excel once again. Vasquez has pitched in MLB for both the Tigers and Pittsburgh Pirates and hopes to get back to that level soon.

Coaches Report

The 2012 Under 14 WA HEAT played in the National Championships held in Perth, WA in January at the South Perth Baseball Club. We were very fortunate to have perfect weather for the 8-day event and an outstanding facility with two well-groomed and maintained diamonds that were championship caliber. I would like to thank all of the volunteers at the South Perth Club for all of their time, effort and hospitality. The Championships were definitely first class and I can't imagine there to be any better throughout the country.

TRIALS

Leading up to the tournament we had some very difficult decisions to make starting in September with nearly 60 players fighting for 16 roster spots. The competition for those roster spots was phenomenal and I couldn't have been more pleased with the effort all of the young men that gave it their all with the intentions to represent WA. The talent gap between the players trying-out was very slim which made for some difficult choices in the selection process but in the end, I think as a staff we got it right. The team was composed of players representing 10 different clubs which is a credit to the development of baseball as a whole throughout Western Australia. The baseball community (club committees, club coaches and volunteers) should be very proud of the direction this great sport is headed and the opportunities it is creating for our young players. With that being said, your hard work, dedication and passion is second to none and I couldn't be more excited for the future and success of baseball in WA.

PRACTICE

Practices were split up between Barbagallo Ballpark and South Perth Baseball Club and held 2 nights a week prior to school holidays then 4 times a week leading up to the January tournament. It was great having access to two fantastic facilities and I would like to give special thanks to the South Perth Baseball Club and Barbagallo Ballpark for your support. As a team, the first day of practice we set some goals to achieve during our time together. The obvious was to take home the gold but to get there we needed to be a team that was physically and mentally tougher than any other in the tournament and we all understood the grind it was going to take to get the job done. Each and every player bought into this concept challenging each other thru competition making each of their teammates better. If one player was having a difficult day there was always another teammate(s) to pick him up and help push him thru the day. Putting the players in pressure situations throughout practices in both simulated games and fundamental concepts gave us a huge advantage over the competition allowing us to go into the tournament with a high level of confidence knowing that once the games began the hard part was over and the easy part was about to begin.

TOURNAMENT

The WA HEAT Under 14 team finished round robin play with a 6 win and 1 loss record before heading into a Gold Medal game against a strong Victoria Blue team that had handed the WA HEAT its only loss of the tournament. That loss came on the final day of round robin play and essentially meant nothing knowing that both teams were going to meet again the following day in the Championship match. However, that game was very pivotal in our quest for gold. It gave us a chance to rest some players and for some others to see how they matched up against such a powerful team that had outscored opponents 116 to 36 prior to our game. Vic Blue chose not to rest their stronger players and was out to win the game securing home field advantage in the final. We lost the game 14 to 16 on a walk off home run in the bottom of the 7th inning but our high level of confidence remained, in fact it grew and there was NO WAY we were going to be denied in the gold medal game. The day of the Gold Medal game we were listed as the visiting team but with nearly 1000 fans in attendance the home field advantage shifted to our favor and the atmosphere was incredible which our kids thrived on. Eight of our nine starters recorded at least one hit a piece and leading the way was Jake Turnbull who finished the game with 3 hits and 4 RBI's the biggest hit coming in the 5th inning with a bases loaded clearing triple that put us up 12-5 and the game out of reach. Josh Diggins with nearly a tournament best .700 batting average was in the leadoff spot and reached base safely 5 times going 2 for 2 (3 BB) and scoring 3 runs. Jess Williams contributed with 2 RBI's while Jordan Power, Mitchell Brown and Alex Hall each had a 1 RBI as well. Jake Baker who had picked up 2 wins earlier in the tournament started the game on the mound and was outstanding once again pitching 4 2/3 innings while allowing only 3 earned runs to pick up the win for the 2012 National Champion WA HEAT. It was a total TEAM effort all the way through the tournament and I couldn't be more proud of these players or think of any more deserving than this group. It was a privilege and honor to work with each and every one of them and something I will never forget.

COACHING STAFF

My staff included Lee Darracott, Murry Kempton, Rod Drew, Sue Reid and Gabriella Albano. I was very fortunate to have these individuals who put in an incredible amount of time and effort. The coaches past playing experience and knowledge of the game were invaluable to the growth of our players in preparation for the National Tournament. They all have tremendous character and brought positive energy to the park every day. I appreciate each one of them and hope to work with them again in the future. A special thanks to Sue Reid (Executive Officer) and Gabriella Albano (Sports Trainer). Sue and Gabriella were a constant every day and worked tirelessly once training began until the tournament concluded. Sue never left any details unturned and was a huge component to our success while Gabriella's knowledge a sports related injuries ensured that our

players were healthy and relatively injury free throughout the tournament. I can't put into words how grateful I am to have had all of them on my staff.

Chris Eckley
Head Coach, 2012 WA State Under 14s

Executive Officer's Report

The 2011 Under 14 National Championship was hosted by the South Perth Baseball Club in conjunction with the ABF from 7th to 13th January 2012.

STAFF

Head Coach	Chris Eckley
Assistant Coach	Lee Darracott
Assistant Coach	Rod Drew
Assistant Coach	Murray Kempton
Executive Officer	Sue Reid
Sports Trainer	Gabriella Albano

TEAM / TRAINING

A large number of young players came down to tryouts for the Under 14 team. Testings were done for bat speed, arm speed and 60 yard dash as well as baseball knowledge and ability. On the 27 October a squad was pick which included 4 train-ons. The selected team is as below:

Baker, Jake	Kempton, Bailey
Brown, Mitchell	Kift, Ryan
Christensen, Caleb	Mabee, Neil
Cosgrove, Tyson	Power, Jordan
Diggins, Joshua	Rawlinson, Joshua
Hall, Alex	Smalpage, Jack
Jones, Courtney	Turnbull, Jake
Keeler, Jaydyn	Williams, Jess

Train-on-players: Dion Urbas, Zac Evers, Zane Johnson, Tristan Morris

With one week to go Bailey Kempton was ruled out due to an injury and train on player, Zac Evers was included in the team. The team trained at Barbagallo Ballpark and at South Perth Baseball Club and included a scratch match against the Under 16 team.

BUDGET

The budget was set by Baseball Office to cover all contingencies required by the Rules and Regulations set down by the Australian Baseball Federation.

SPONSORSHIP

The Under 14 team would like to thank Fielders Choice for their continued support. They step up every year to help support the development of our junior baseball players.

UNIFORMS

The uniforms were a continuation of the uniforms from last year. As the team was made up of mainly new players, the team needed to be sized and ordered in time for Cap Night.

A problem has occurred over the last couple of years where players have been injured at the last minute and replacement uniforms have to be found. As the supplier closes mid December, this eliminates any possibility of late replacements. A possible solution to this could be that we order a couple of extra uniforms and keep them as stock for future. These would not have names on the back which then leads us to the possibility of wearing uniforms for the tournaments without names. This would be a huge help.

EQUIPMENT

The Under 14 team used the same equipment as last year with the added bonus of new helmets. Thanks to the High Performance section for looking after the team.

ACCOMMODATION

The ABF arranged all accommodation for the State teams at St George's College and Trinity College. Western Australia and Queensland were the two teams at St George's.

A slip up happened when Queensland and Western Australia were in rooms adjoining each other over four levels. Noise travelled as it is an old building and the inevitable happens. Curfew times were different between the two teams and this was always going to be a problem until the two States got together to eliminate the interference from the ABF representative.

The rooms were in the oldest part of St George's College with a narrow noisy staircase. It is always going to happen that the players were going to drag their bags (with wheels) up and down the staircase. This was the main area for concern.

The players were accommodated in single rooms with no airconditioning. Some rooms had fans that moved the hot air and dust. Other rooms were just hot.

MEALS

Breakfast was provided at St George's College between 7 and 8am only. It started off as a hit and miss affair. Day two saw our team go for breakfast at 7.30am and there was no breakfast available. As soon as Queensland had eaten (they had the early game) the dining hall was packed up and breakfast was in place for the next group of older people there for a conference. I spoke to the kitchen staff and they said that no guidelines had been put in place and they would, in future, set up a dining area for the two teams. The food choices also improved after this conversation. The staff at St George's College were very helpful. Players were able to make a choice from a range of options for their lunch which was supplied by South Perth. The volunteers from South Perth were incredible and could not do enough to help the teams.

The evening meal was flexible and allowed us to eat when and where and what we thought was appropriate for the players. The

main place we visited was Franklins Tavern who supplied more than adequate meals for the team. Thank you to Chris Dodd and Franklins Tavern who are huge supporters of baseball in WA. Costs for all breakfast and lunches were included in the ABF Levy.

GROUND TRANSPORT

As we were the home team the need for a third bus to pick up cases etc, was not required. The team went with 2x12 seater buses and the coaches used my car for any extra transport required.

CAP NIGHT

Cap night was held at Barbagallo Ballpark with parents supplying supper and soft drinks available for purchase. As most teams had training before Cap Night, Baseball WA provided hot chicken rolls for the players before the night officially began. Thanks to Lachy Dale, Steve Fish, Brooke Knight, Graeme Lloyd and Allan de San Miguel for their help. The night was made more interesting as the heavens opened up and the night ended in a total drenching. This evening continues to be significant in the recognition of our youth players and must be continued as an official function.

VENUE

South Perth were once again the venue for the Under 14 National Championships. Ground staff did an exceptional job in maintaining the playing surface over the Championship. They were ably supported by volunteers in undertaking other tasks associated with the Championship.

The South Perth Club need to be congratulated on the success of the tournament and the help they gave our team in the lead-up to the tournament and also throughout the tournament.

OPENING CEREMONY

The Opening Ceremony was held at Barbagallo Ballpark on Friday 6th January. Dinner was served to all players and staff in the Gosnells Clubhouse. All teams then stayed to watch the Alcohol. Think Again Perth HEAT vs Brisbane Bandits game.

WA MOST VALUABLE PLAYER AWARD

For his successful contribution during the Championship the Coaches selected Jake Baker as the winner of the Glenys Osborn Trophy as the Most Valuable Player for the WA State HEAT Under 14 team.

FINAL STANDINGS

The West Australian team won the Gold Medal defeating Victoria Blue in the Grand Final 13 – 6.

The Team's results were as follows:

WA HEAT 9 - Vic White 8

HEAT Pitchers: Jordan Power (2.2 IP), Jack Smalpage (1.1 IP), Josh Rawlinson (1 IP), Josh Diggins (2 IP)

HEAT Hits: Alex Hall, Josh Diggins, Jake Turnbull (2), Jordan Power, Mitch Brown, Josh Rawlinson

WA HEAT 13 - NSW 3

HEAT Pitchers: Jake Baker (3.1 IP), Jake Turnbull (1.2 IP)
HEAT Hits: Josh Diggins (3), Jake Turnbull (4), Jordan Power, Mitch Brown, Courtney Jones, Tyson Cosgrove

WA HEAT 11 - SA 7

HEAT Pitchers: Mitch Brown (2.2 IP), Neil Mabee (2.1 IP), Josh Diggins (2 IP)

HEAT Hits: Josh Diggins (4), Jesse Williams (20), Jake Turnbull, Jordan Power (2), Ryan Kift, Caleb Christensen (2), Jaydyn Keeler, Alex Hall, Zac Evers (2)

WA HEAT 19 - ACT 0

HEAT Pitchers: Jaydyn Keeler (3.1 IP), Josh Rawlinson (1.2 IP)

HEAT Hits: Jake Baker (2), Jesse William, Jake Turnbull, Jack Smalpage (2), Jordan Power (3), Ryan Kift (3), Caleb Christensen, Zac Evers, Alex Hall

WA HEAT 19 - QLD 3

HEAT Pitchers: Jake Baker (4 IP), Jake Turnbull (1 IP)

HEAT Hits: Josh Diggins (2), Jesse Williams (2), Jake Turnbull (2), Jordan Power (2), Courtney Jones (2), Tyson Cosgrove, Josh Rawlinson, Alex Hall

WA HEAT 11 - CNSW 7

HEAT Pitchers: Tyson Cosgrove (1.1 IP), Jesse Williams (2.2 IP), Josh Rawlinson (2.1 IP), Mitch Brown (0.2 IP)

HEAT Hits: Josh Diggins (2), Neil Mabee, Jordan Power (2), Ryan Kift, Caleb Christensen, Jake Baker (2), Jack Smalpage (2), Josh Rawlinson (2), Zac Evers

WA HEAT 14 - Vic Blue 16

HEAT Pitchers: Jaydyn Keeler (2.2 IP), Zac Evers (0.1 IP), Mitch Brown (3.0 IP), Ryan Kift

HEAT Hits: Alex Hall (2), Jesse Williams (4), Mitch Brown (2), Josh Rawlinson, Tyson Cosgrove (3), Jack Smalpage, Jake Turnbull, Caleb Christensen, Jaydyn Keeler, Neil Mabee (3)

WA HEAT 13 - Vic Blue 6 (Grand Final)

HEAT Pitchers: Jake Baker (4.2 IP), Jake Turnbull (0.1 IP), Josh Diggins (2 IP)

HEAT Hits: Josh Diggins (2), Jesse Williams, Jake Turnbull (3), Jordan Power (2), Mitch Brown, Tyson Cosgrove, Josh Rawlinson, Alex Hall (2)

The final standings:

Western Australia
Victoria Blue
New South Wales
South Australia
Queensland
Country New South Wales
Victoria White
Australian Capital Territories (ACT)

CONCLUSION

This group of players were a delight to be around. They enjoyed their baseball and were willing to listen and learn. Most of the players will be eligible for Under 16s next year and will slot

into the higher age bracket with ease. I would like to wish them luck in their future baseball careers.

The coaching staff of Chris Eckley (Head Coach), Lee Darracott, Rod Drew and Murray Kempton were great role models for the players. They were a pleasure to have on board and they made the tournament games much easier for all.

Thank you also to Gabriella Albano for her work as the Sports Trainer.

RECOMMENDATIONS

ABF — I would suggest that the ABF relinquishes the booking of accommodation for teams and allow each State to do their own. This would alleviate the problems from this year. This would therefore follow that the teams find their own breakfasts but stay with the lunches at the Tournament venue. The late release of information can be eliminated by reducing

the amount of workload that the ABF carry. Accommodation is a perfect way to do this. If this was returned to the States to look after, then most States will have full knowledge of their accommodation and can be organised accordingly. This would be done as soon as the next venue is announced.

Every year we have the same problems and every year we hope that they have been fixed.

UNIFORM — Retain format of uniforms but would suggest removing the name from the back of the uniform to eliminate the problem of late replacement uniforms or make sure that we have extra uniforms in stock as replacement uniforms.

UMPIRES AND SCORERS — A recommendation would be that the ABF source sponsors to cover the costs of umpires and scorers. At the moment this is covered by the players with small donations from the Scorers and Umpires Associations.

Sue Reid, U14s Executive Officer

Coaches Report

TRIALS AND PREPARATION

The try outs began in September at Barbagallo Ballpark, with approximately 55 players attending. After 4 weeks of tryouts the squad of 21 players was announced.

TEAM PRACTICE

Practice was split between Baseball Park and Forster Park. On Monday nights we trained with the U/18's which I found to be a double-edged sword. Although it was fantastic to have Mark

Pettit and the U/18's staff assisting, for some reason our U/16 players became timid in the presence of the older guys.

On Wednesday nights we trained at Forster Park, we played a lot of intra-squad games and did the bulk of our pitching and defensive work.

On Saturday mornings we had BP sessions at Baseball Park.

COACHING STAFF

I was joined in the coaching staff by Chris King and Steve O'Connor, both of which were my assistants for the 2011 U/14's. Unfortunately both guys had to miss a number of training

sessions during our preparation, as Chris was busy opening his own business and Steve having to travel interstate at various times with his work. Despite this, both guys were a great help and were very passionate about the success of the team. During the tournament Steve and Chris were fantastic support and tireless workers. We spent many hours dotting our I's and crossing our T's trying to come up with ways to change the team's fortunes. One of the changes we did was to have Steve - normally our pitching coach - coach first base, with Chris moving from to coach third base. This allowed me to stay in the dugout to discuss situations and at-bats with our hitters and also to try to keep our guys focussed on the game. Judith Dutton was our EO and, having not met Judith before, she quickly lived up to all of the great things I had heard about her. I can't thank her enough for her tireless efforts, great sense of humour and wisdom.

NATIONAL CHAMPIONSHIPS

The National Championships were held in Geelong in from the 7th to the 18th of January. We stayed at Geelong Grammar School in terrific accommodation. I cannot fault the housing arrangements at all, except to say that perhaps the beds were a little thin and the crickets outside my window were too loud. But apart from that, the facilities were fantastic. As far as the baseball tournament itself, the best I can offer is that it was very disappointing. Unfortunately we lost our captain

Sam Kennelly 4 weeks prior to the tournament, which was a huge loss. As Sam is such a special talent, we knew it would be hard to replace his bat, defence at shortstop and his pitching. But still, I was confident that with the spread of talent we had, we could share the load and still give a great account of ourselves. I was also hopeful that out of the disappointment an opportunity would open up for some other guys to grow and lead the team. Unfortunately, it didn't really eventuate. Although the guys cannot be questioned for the effort they put in, at important times during our games it was clear that we lacked the confidence and leadership we needed to get us over the line. We would end up finishing 6th in the tournament with a 6 & 6 record. As Head Coach it was a very frustrating tournament. I was very disappointed with where we finished as I felt we had a genuine chance to win every game we played. But we just could not seem to get everything clicking. When we hit well, we fielded poorly, when we fielded and hit well, we walked too many hitters. It just never came together when we needed it. I could see that we had the talent and potential to beat every team we played, but unfortunately as a team, the players lacked the belief, the confidence and ultimately, the courage to win. The standout player in our team was Robert Herzfeld (Croc), who won our MVP Award. Croc had a fantastic tournament and was deservedly named as the Centre fielder of the All-star team. It was a pleasure to coach such a great kid. It will be exciting to watch his great future unfold.

I would also like to mention that Callan Silvi stepped in as a replacement for Sam and went on to have a fantastic tournament, highlighted by a 6 inning 1-hit performance against Vic White.

RECOMMENDATIONS

Coaching Staff: I definitely think that WA State teams should have 4 coaches. We definitely found ourselves shorthanded and a 4th coach would have been a great asset. I also think that given the personnel availability, it would be a great help to have a more senior coach on staff.

Preparation: In theory the concept of having roving instructors was a great one. But, I can honestly say that we had access to them maybe 3 times maximum. And to be honest, I'm not sure they were really that helpful anyway. If we are going to have rovers then a) I think they should actually be there, b) be there for a specific reason and c) fit into the teams' plans, so we don't have to fit our preparation into rovers' availability. In the end I had Evan Porter come to our Wednesday sessions at Forster Park to help with our defence. In 2011, with the U/14's we had Lachlan Dale as our hitting instructor and he came when we asked him and fit into our plans, rather than the other way around. In my opinion this worked much better.

I would like to thank all the players and their parents for their efforts over the months. Unfortunately the results on the field weren't there, but I am still proud of the guys for the way they carried themselves at all times. They were a fun bunch to be around and I will have a keen interest in their development throughout the years.

I'd like to thank Mark Pettit, Shane Spry and Dean Burton for their help and support, being on hand to share in your great tournament was a highlight.

Thanks to Carol Williams for her hours of work in getting the guys ready to get back on the field. Carol was a terrific help. Thanks also to Rod Drew for your never-ending support and advice, it's greatly appreciated.

Congratulations to Chris Eckley and the U/14's on their gold medal. It was a great effort, a much deserved victory.

Finally I would like to thank Steve Fish, Andrew Todd and the BWA board for the opportunity to coach the 2012 State U16's, it was a great experience and one that I have learned a lot from. Kind Regards,

Nathan Lovick
Head Coach, Under 16s

Executive Officer's Report

INTRODUCTION

The 2012 Under 16 National Youth Championships were held in Geelong over a 12 day period from 07 January 2012 to 18 January 2012.

STAFF

Head Coach	Nathan Lovick
Assistant Coach	Steve O'Connor
Assistant Coach	Chris King
Hitting Coach	Shane Spry
Sports Trainer	Carol Williams
Executive Officer	Judith Dutton

The Under 16 team 2011

Jhai Anderson	Mitch Neunborn
Steven Baxter	Stuart Ralph
Dan Bourke	Nikola Sequeira
Jake Bowey	Jesse Sequeira
Alex Grulich	Bob Shipway
Jesse Hackett	Callan Silvi
Robert Herzfeld	David Smith
Tristan King	Rhys Steedman
Ryan Mabee	Andrew White

The team consisted of seven first year players and 11 second year players.

Three players represented Western Australia for the first time.

GROUNDS

Barbagallo Ballpark was used for tryouts.

The squad and the selected team trained at Barbagallo Park and Victoria Park Baseball Ground.

SCORER/STATISTICS

The Under 16 scorer was Christine Sorenson.

Statistics were accurate and provided as soon as possible after each game or the next day.

UMPIRE

The Under 16 umpire was Peter Dickenson

FINANCE and FUNDRAISING

The cost for the 2012 series was \$3300. This included airfares, transport, accommodation, all meals, team photo, uniform and miscellaneous fees.

Letters for individual sponsorship were made available to players and several obtained personal sponsorship. This has been shown to be successful in the past. Players targeting local Shires and businesses have been successful in obtaining part or full sponsorship.

CAP NIGHT

Cap Night was held Monday 5 December 2011 at Barbagallo Baseball Park. The State Under 14, 16, 18 players and staff were presented with their State Caps during the night.

ACCOMMODATION and MEALS

The Under 16 team stayed at Geelong Grammar School, Corio, in accommodation organised by the ABF. Each player was allocated a room. A common room was invaluable.

A vast improvement on last years accommodation with four players to a small motel room.

Breakfast was at Geelong Grammar. (Unfortunately the breakfast was below the usual standard of the previous year and should be reviewed.) Lunch was provided at the ground.

Dinner was organised each day and was obtained at various hotels and restaurants.

TRANSPORT

The team travelled to Melbourne with Virgin Blue. The travel aspect would be enhanced if a group check in was organised. This is available to other states.

Two 12 seater vehicles and a one tonne vehicle for luggage were organized by the ABF. One of the 12 seater vehicles was in an extremely poor condition and unleaded fuel proved very expensive. This was brought to the attention of the ABF representative Mark Priestly

INJURIES

Sam Kennelly was injured before the Series and was replaced by Callan Silvi. No major injuries occurred during the Series.

PERFORMANCE

There were some very good team and individual performances by players during the series. The team finished in 6th position.

AWARDS

Robert Herzfeld was selected as an outfielder in the National Under 16 All Stars Team and should be congratulated on the achievement.

The State Under 16 Team Most Valuable Player for 2012 was Robert Herzfeld

Judith Dutton, Under 16 Executive Officer

Sports Trainer's Report

PRE- TOURNAMENT PHASE:

Sports Trainer in attendance at ALL training sessions for pre-game and rehab sessions not utilised by 16's for this.

Very little work was done with the under 16's pre tournament until the last two weeks before travel.

ALL pitchers had their pitching arm regularly compressed and iced after throwing an innings in a game situation.

ALL pitchers and catchers were asked to buy "compression socks" and to start using them after any type of throwing activity pre-tournament as a rehab aide.

TOURNAMENT PHASE:

Sports Trainer in attendance for ALL games and recovery period.

ALL pitchers received ice and compression after throwing in

a game. (No limit on number of pitches thrown all needed treatment as they were in tournament phase ... i.e. work done in bull pen could equate to a game number of pitches thrown).

Catchers were iced down on the majority of occasions

On day after catching ... the catches in the second week were getting massages on the shoulder and elbow area of throwing arm ... mostly for "loosening up" prior to warm up. This seemed to work well as all catchers were able to back up daily if and when needed.

If pitchers had a days rest they all received a light relaxation therapy massage to their pitching arm/elbow/shoulder. ALL responded well to this. Regular queues were evident prior to warm up!!

No major leg problems at all in the 16's ... no treatment completed on this body area all tournament.

A large number of grass burns occurred over the fortnight ... these were patched for the game quickly and then treated after the game. Treatment consisted of: cleaning the wound with water and Dettol with gauze, wiping over with Betadine and then applying Fixomul dressing to the site (this was to stay on until the dressing fell off). For play the dressing was covered with an Adhesive bandage and then removed after play. If the wound cover was dirty the site was redressed and cleaned. No infections developed over the fortnight and all sites healed well "in Tournament".

In the dug out there was a STRICT water only policy as a number of players had the potential to have "powerade / gaterade" overkill.

A "blanket ban" was put on all Protein shakes and drinks, pills and bars after lengthy consultation with the AIS nutritionist and ASADA who were in the process of testing all protein supplements as some contained substances that were not listed on the tins.

A couple of players had regular strapping to their wrist for the length of the tournament. Injuries received day one.

GENERAL COMMENTS:

All players who are seeing a Physiotherapist or chiropractor prior to the tournament need to get a letter from them outlining the problem and the treatment necessary for them to "survive" a two week tournament. This will assist the trainer in their rehabilitation after games and the warm necessary for them prior to games.

The large majority of parents were very supportive of all treatments and things implemented over the tournament on the medical side for the boys.

ALL boys were very dedicated to their rehab with me and were always polite and well mannered on all occasions during treatment.

Carol Williams, Under 16 Sports Trainer

TRIALS

Trials again started in October (School Holidays). This year we had an increase from 27 last year to 39 try out. The timeline was tight for team selection but this is bound by uniform issues. Centralising trials at Baseball Park was once again invaluable as well as having the services of Steve Fish and Rod Drew.

PRACTICE

1. Access to Barbagallo Ballpark. The fact that we were allowed on Baseball Park 2 nights a week was a real positive. The fields we played on in Geelong were of the same design however I feel that Baseball Park's surface is firmer and plays better. No reflection on the world class facilities at Geelong but to have Baseball Park as a training venue is a bonus. Even to use the cages and the bull pens is a bonus.
2. Training with the Under 16s. It was extremely valuable to join in with the 16s this year when we had the opportunity from both a player's and coach's perspective. The players obviously benefited as it meant running match simulations was a lot easier as players could be in their allocated positions and not "making up the numbers". Although we did not train together a great deal I felt that the scrimmages that we were able to run were of great importance to our development. The combination of practices on several occasions allowed the extension of the Diamond Academy programme as the bulk of the Under 16 and Under 18 teams came from this programme. This meant that the Under 16 team were certainly not intimidated by the Under 18 team and this allowed us to keep our teams together when scrimmaging.
3. Goodwill Series. Unfortunately this did not go ahead again this year as it has in the past and I believe detracted from our preparation. Last year Rod Drew organised a large number of players who had returned from college for Christmas to scrimmage against the U/18 team. This experience was invaluable and I think it provided almost a showcase of the best talent in WA under the age of about 21. Steve Fish arranged a couple of games this year however due to some communication breakdowns (not due to Steve's effort) with the players we were unable to have the same impact with these games.

TOURNAMENT

I am immensely proud of the way that the Under 18s represented Baseball in WA. They played as hard as they could each day and

for a number of players I hope it inspires them onto greater things in the sport. The pitchers were a wonderful bunch of young men who battled through some adversity but once we arrived in Geelong they assured me they were ready to go and never once made themselves unavailable through injury. That is a credit to their mental as well as physical application.

Although the stats will show we finished third, to finish the round robin in 4th place and then finish on top after the first play off round showed how the team improved as we played more together but also their desire to make sure we gave everything we had. Although as a playing group we believed that we had a real chance to win it, we know that some people did not have high hopes for us. We hoped that by representing Baseball WA in the manner we did we may have changed their perception of this outstanding group of young men.

A special congratulations to Josh Kennelly, Nic Stanbury and Jarrod Zarahdnik who were joint MVPs. As a coaching staff we could not split these 3 young men and the contribution they made to the success of the team.

COACHING STAFF

Dean Burton as an Assistant Coach was once again invaluable. His knowledge of the game and his ability to lead and instruct should never be underestimated by this organisation. Due to Shane being restricted with work time Dean's input was critical to our success. He develops a wonderful rapport with the players and his knowledge of the game and the way he imparts this improves every year. He is an asset to the programme.

Shane Spry this year was a dedicated coach to the Under 18 programme. After moving as a roving coach last year to have him in the Under 18 programme was a bonus. Shane's ability to discuss issues with the hitters and his experience in professional baseball allowed a great deal of flexibility in the coaching staff and he also took on the role of discussing matters with the pitchers when required. To have someone of Shane's experience back involved in our programme gives it great credibility and has rejuvenated it as well.

HEAT Coaches. We were fortunate this year to have the input from a number of HEAT players into our training sessions. These included Alex Burg, James McOwen, Brenden Webb, Luke Hughes, Allan de San Miguel, Matt and Tim Kennelly as well as Head Coach Brooke Knight and Pitching Coach Graeme Lloyd. Any input we received from them was always welcome and appreciated.

Steve Fish in his role as the Player Development Manager was also very accessible. Spread across 3 State teams as well as the Alcohol. Think Again Alcohol. Think Again Perth HEAT Assistant Coach he had a very busy summer but his thoughts and input were often sought and always appreciated.

Dea Saupold did an outstanding job as Executive Officer. She ensured that off the field there was never any stone left unturned so our players were ready to play. Dea has a great rapport with the parent group and she was always prepared to keep them

informed of any changes that may have occurred. She was also a wonderful link person with Baseball WA, Annie (our Alcohol. Think Again Perth HEAT Physio) and our hotel. She does a wonderful job and is a great asset to Baseball WA and the Youth Programme.

Once again we were fortunate enough to have the services of Carol Williams. She spent more hours at the ballpark coordinating the injury management and rehab of both the 16s and the 18s. She also worked tirelessly at the hotel to ensure our players were fit and ready to go. We can never underestimate the importance of Carol. I would think that Carol should be a key component of any State team that travels as her baseball specific knowledge ensures that the treatment the players receive is precise and delivered effectively and efficiently to gain maximum results. Our soft tissue injuries are never major factors in our tournaments as thanks to her.

I must also thank BWA for once again allowing me the honour of being involved in their programs.

RECOMMENDATIONS

- Given the current economic climate, I am unsure as to the future of the Goodwill Series. I would like to propose that the U/18s look at playing once a week as a group. There are a few ways that we could do this but I think if we played against each club's AAA team it could work. The idea that if the AAA team wins then they get points to count to the end of the year. The AAA team could use anyone within their club to play and that the rules regarding imports and their pitching eligibility not be enforced for these fixtures. This could be played as part of a double header on a night where a State League club had a fixture. I would welcome any discussion on this topic.
- I still maintain that 4 Coaches, an EO and soft tissue specialist is the required coaching staff for a tournament of this duration and especially when dealing with this age group and below due to the supervision and duty of care issues. Having Steve Fish on the staff for one game in Geelong was a huge bonus and helped immensely.
- State teams still need to have access to Baseball Park to train on a regular basis. This is a vital component to the success of the programme and gives it great credibility.

Reserves: Mitch Waterhouse and Matt Wearing both were able to play for Territories and both did very well. Their Coach Brent did say that both boys were well mannered and always willing to help out where possible. Great work guys

SCORER

Christine Sorensen
Thanks Christine for the pitch counts after each inning's.

UMPIRE

Peter Dickinson and Neil Medlin

TRAINING

Training was at Baseball Park on Monday and Wednesday Night's.

They trained in conjunction with the Under 16's and the Alcohol. Think Again Perth HEAT which gave the boys plenty of time to familiarize them with each other. Also having some handy tips from Luke Hughes and Alex Burg and James McOwen. Thanks for the help.

FUNRAISING

Nil

COST

The cost this year was \$3300. This was the main cost if the boys needed new gear or a uniform additional cost where incurred.

CAP NIGHT

Cap Night was held on the 10th December 2011 at the Baseball Field. The boys, coaches' officials were presented to receive their State Caps.

This was to say the least a wash out as it poured with rain just after the speeches were made that in conjunction with the lighting and thunder didn't help the matter with the parents wanting to leave as soon as possible. If this had been a nice night I think it would have been a total success, but next year maybe we could have the presentations before a HEAT match and then have a supper afterwards and watch the game.

ACCOMMODATION AND TRAVEL

Travel was organized through the ABF and we flew with Virgin Airlines there and back, the accommodation was at The Bay City Comfort Inn Geelong, the rooms were very nice and they had 2

boys per room.

The Motel was only 10mins from the ground and the owner Pam and Staff were really great with all the Boy's and Staff.

They couldn't have done enough to help make our stay as pleasant as possible.

I would like to thank these people very much for making the stay enjoyable.

MEALS

We had to find our own Breakfast every morning and Lunches where at the ground; Dinner we had at the ground several times an also at Rimmini's as well as some local Hotels where the food was very nice an lots of it.

La Porchetta had a great deal of variety and plenty of food with it so I would go there again no worries as this did fill the boys.

TOURNAMENT

Was started on the 7th January 2012 at Geelong Baseball Fields, this is a awesome complex with 4 fields an batting cages.

The fields where in tip top condition for the tournament an the grounds crew where outstanding after every game.

The tournament itself was great for the two weeks a few hiccups here and there but it ran smooth and the boy's enjoyed it an that's the main thing.

We started a little shakey but once we buckled down we went really well finishing 1st in the A pool, then we played to go get gold but it just wasn't to be finally finishing with the bronze.

AWARDS

Josh Kennelly named as catcher for the Australian Team to go to Guam. Congrats

INJURIES

1 on the last game of the tournament to Ben Shorto who slid into home an received a cleat to the knee which needed stitches so that was the only one. I think having Carol Williams with us does stop a lot of injures from occurring during a long tournament.

IN CONCLUSION

I would personally like to Thank Carol Williams for all her hard work during the tournament, Carol worked both with the Under 16's and Under 18's so that was day and night. Her dedication to the entire boys' team was just beyond words. Thanks Carol. To the Coaches' Mark, Dean an Shane It was a pleasure to work with you again, an once again I have learnt a little more about everything to make it better again next year.

I really would like to thank the boy's and wish the ones that are too old for next year all the best for the future. An to the boy's that will try out for the Team next year I hopefully will be back and will enjoy working with you all again.

To the Parent's that came over for the game's an the one's that didn't thank you all.

From the stories we heard every day you all seem to have a great

time an your support during the games is amazing.

Thanks Again and I hope I can continue to be here for a few more years yet.

Sports Trainer's Report

PRE- TOURNAMENT PHASE:

Sports Trainer in attendance at ALL training sessions for pre-game and rehab sessions not utilised by 16's for this.

Very little work was done with the under 16's pre tournament until the last two weeks before travel.

ALL pitchers had there pitching arm regularly compressed and iced after throwing an innings in a game situation.

Coaches Report

Staff: Head Coach – Lee Darracott
Assistant Coach – Amanda Mirco
Assistant Coach – Frankie Chong
Pitching Coach – Daniel Schmidt

The 2012 Womens Baseball Nationals were held in Canberra in April. After finishing a disappointing 4th last year we were all determined to improve on that performance and bring the title back to WA, that we did!

We had an excellent turn out to tryouts this year, having to make 3 separate cuts before eventually selecting the final squad of 16. The depth of this year's team was second to none, and adding some experience this year was a huge key in our success.

We started the tournament off big with a 15 run 1st inning against Northern Territory, eventually beating them 16-2. We continued on pace with a 18-0 victory over ACT and a 14-5 victory over Queensland to move to 3-0. This is the position we wanted to be in. The way I saw it, it didn't matter if we finished 1st or 4th, our goal as a team and coaching staff was to make it to the playoffs with our top 5 pitchers ready to go, and we did just that. We took a tough loss against Victoria Blue 11-1 in game 4 but that did not discourage the girls one bit. We stuck to our game plan and beat Country NSW 15-6 to assure us a spot in the top 4 and a semi final berth. The final game of the round robin did not mean much as far as standings went but confidence was a big thing heading into the playoffs and we walked away from a 24-23 loss with our heads held high.

The stage was set for a semi final show down against the defending champs Victoria Blue. We sent Natalie Rawlings to the mound that game to get us a spot in the gold medal game. Natalie's confidence and fearlessness was exactly what we needed from our pitcher that day and she delivered one of the best pitching performances I have ever seen as a coach or player. This was the game the team really came together and it was amazing to watch. Sue White made a few unbelievable catches from left field that no doubt helped us win that game. Rebecca Crosby delivered one of the best catching performances I have seen in some time as well. We went on to win the semi final game 3-0 in a total team effort. We played for gold the following day.

There's nothing in sport more exciting than the championship game, and finally after months and months of training the day was upon us! We sent Jacinda Barclay to the mound that game in what was a very easy decision for the coaching staff. Despite a shaky first outing against Vic Blue, Jacinda's confidence on the hill as well as her national and international experience let us know she was the one for the job. In what was a very back and forth game, the NSW team took an early 2-0 lead. However it was only a matter of time before the best bats in

the tournament got going. We put up 4 runs in the 3rd inning to take the lead only to give up 2 runs in the bottom half to put us in a tie. We scored 2 runs in the following 2 innings to take an 8-5 lead into the bottom of the sixth. NSW battled tough and knocked Jacinda out of the game with a 3 run sixth inning to tie the game going into the last inning. Natalie Rawlings who was our most consistent hitter all tournament, delivered yet again to lead off the inning with a single. Christina Kreppold then delivered the biggest hit of the tournament for us doubling in Nat Rawlings for what turned out to be the game winning run. Kreppold then came into shut down NSW in the bottom of the inning for a 1,2,3 final inning giving us the gold medal!

I would like to say how proud I am of this very special group of girls who never quit and stuck with the game plan from day 1. Every girl on this team played a major role in our gold medal victory and each and every one of them should be extremely proud of what they accomplished.

I would also like to thank my amazing coaching staff. Amanda Mirco is a legend in Women's baseball here in WA and after a great playing career she's sure starting her coaching career off on a good note. I/we could not have done it without Mirco's, there was never anything too hard or too much to ask of her. She did everything with a smile on her face and for the betterment of women's baseball, thanks a million Mirco's!

Frankie Chong is another person we could not have done this without. His eagerness is like a child on the baseball field which you don't see too much of these days. A grown man with a passion for baseball that can't help but put a smile on your face. He did everything we needed him to do and kept the girls loose and having fun which is a big reason we won. Our team not only worked the hardest but we also had the most fun, which makes me happy to say.

We would also like to thank Daniel Schmidt our pitching coach. Without Schmidt our pitching staff would not have been nearly as effective. His help and insight at trainings were exactly what the girls needed and he played a big part in our success. Unfortunately Daniel did not travel with the team but his lessons stayed with us till the end.

Stand out performance from the girls this year are Natalie Rawlings who received an incredible 3 major awards at the tournament. She took home all star shortstop, as well as golden glove for the entire tournament and tournament MVP honours. No doubt that Natalie played a major role in our gold medal finish. There was no task too tall for her and she delivered the best tournament I have ever witnessed from a baseball player.

Christina Kreppold took home all star 3rd baseman. Christina's leadership on and off the field was amazing. She is a leader if I have ever seen one, both by talking and doing. It was an honour to coach such a player.

Special mention to Nicole Gunzberg from WA who ended up playing for the Northern Territory team. Nicole had a fantastic

tournament and was selected as the Golden Arm recipient, congratulations Nicole!

3 WA players also made the Australian National team who was to compete in the Women's World Cup. Those players are Christina Kreppold, Jacinda Barclay and Rebecca Crosby. Fantastic effort from these girls, however we would have liked to have seen more WA representation on the national squad. Every single girl on the WA team deserves to be on that team in my opinion, hopefully changes are made.

Enclosing, I had a wonderful time coaching this special group and will take away many fond memories of our gold medal win. Well done to everyone involved!

Kind Regards,

Lee Darracott
Head Coach 2012 Women's State Heat

Executive Officers Report

The Australian Women's National Championship was hosted by the ABF and held at the Narrabundah Ballpark, Canberra ACT from the 7th to the 14th of April 2012.

STAFF:

Head Coach: Lee Darracott
Assistant Coach: Wen Woei (Frankie) Chong
Assistant Coach: Amanda Mirco
Executive Officer: Christine Goonewardene

TEAM

Trials commenced mid January, with a team of 14 players announced early February. Four additional players were accepted as train-ons.

Jacinda Barclay, Kaila Borgomastro, Rebecca Crosby, Morgan Doty, Rhonda Fiorentino, Erin Fox, Lauren Home, Christina Kreppold, Amanda O'Hehir, Natalie Rawlings, Michelle Schroeder, Renee Wells, Sirintip White, Alexandra Worth.

Train on Players:

1. Tabitha Callander
2. Brittany Edgar
3. Nicole Gunzburg
4. Courtney Keen

Tabitha Callander and Brittany Edgar were announced as the final two players joining the team on the 22nd February, 2012.

TRAINING

Training sessions were conducted as follows:

Mondays – BP @ South Perth

Wednesdays @ Victoria Park

Saturdays @ Baseball Park (after the HEAT Finals) – a few

trainings were organised at Melville and UWA prior to having Baseball Park available

Two scratch matches were organised:

- Sunday 1st April at Baseball Park – intra squad with extra players from the women's league
- Monday 2nd April vs Fielder's Choice at Baseball Park – was rained out after 3 innings

EQUIPMENT

This year no additional equipment was required other than numerous baseballs for bullpen work.

BUDGET

Most items were set by the ABF in a participation agreement. Additional items, such as accommodation, uniform, petrol, food money were added to the cost. With a few sponsorships from a family, Mirco Brothers and an organised team quiz night, a sum of money was deducted off the final player total of \$2050.

UNIFORMS

A few new players needed to organise player tops which needed to match the old ones, this took a little longer than expected due to suppliers but managed to have them to the girls two days prior to departure. All other items purchased were ordered from Fielder's Choice and delivered to players efficiently two weeks prior to departure. A total of \$1960 was spent on uniform purchases.

ACCOMMODATION AND TRAVEL

Air travel was organised in the ABF participation agreement. This year we were allowed to organise our own accommodation. We stayed at Parkland's Apartment in Dickson, ACT. The team was very impressed with the room layouts, space and access to bathrooms, kitchen, laundry, pool and walking distance to local shops. We had 4 x 2 bedroom interconnecting rooms with 5 singles beds in each. Accommodation for ten nights came to a total of \$12,960, a total of \$810 each for players.

GROUND TRANSPORT

This year ground transport was included in the ABF agreement. They organised 2 x 12 seatervans and one tonnevan for luggage. No complaints.

VENUE

Narrabundah Ballpark once again proved to be an excellent ground facility, and the ground staff kept the Championship running smoothly at a very high standard. ABF were responsible for provision of lunch to players, scoring facilities, programs, and merchandising. Cassandra Sedgman Tournament Director ensured all teams were kept informed of events, and game time changes.

Programmes were available to players mid week.

WA MOST VALUABLE PLAYER AWARD

For an outstanding performance at the National Women's Championships, Natalie Rawlings was not only awarded WA MVP but Golden Glove and Most Valuable Player of the tournament and a position in the All Star Team.

FINAL STANDING

After six games against each state we managed to finish third only losing two games to Victoria and NSW. On the 13th of April Western Australia played Victoria in the Semi Final winning 3-0. On the 14th April Western Australia played NSW in the Grand Final.

Final Score - 9-8 in favour of Western Australia.

Christine Goonewardene, Womens Executive Officer

WA State HEAT Under 23s 2012 National Championship – Adelaide, South Australia

Executive Officer's Report

The Under 23's National Tournament was held at Southern Districts Baseball Club, Christie Beach, Adelaide from the 5th to the 9th April 2012

STAFF

Western Australia's team staff was:

Manager	Rodney Drew
Assistant Coach	Mathew Caple
Assistant Coach	Justin Hoen
Executive Officer	Natalie Todd
Sports Trainer	Carolyn Williams

TRIALS /TRAINING TEAM

Trials for this team were commenced on 20th February 2012 at Baseball Park in Thornlie. We trained on Saturday mornings and Monday night leading up to the Tournament. On a Monday night we would play against the State Schoolboys team to ensure that we were game ready for our tournament, thank you to Mark, Staff and players of the School Boys we wish you the best in your upcoming tournament. The team was announced on the Baseball WA website on the 6th March 2012 the players were as follows:

Adam Millson
Adam Barbarich
Roy Hotvedt
Matthew Dixon
Thomas Zwaan
Joshua Dowling
Andrew Lange
Nicholas Stanbury
Kane Silvi

Jake White
Kieran Chapman
Hayden Sloane
Robert Ireton
Mitchell Shier
Michael Smith
Timothy Leitch
Blake Tilley
Shaun Carney

BUDGET

The Australian Baseball Federation (ABF) organized the airfares, buses and lunches at the ground. Everything else was left up to the individual states. A big thanks goes to Julie Ninnis at Jetset Kardinya for organizing us accommodation at a great price.

SPONSORSHIP

We would like to take the time in acknowledging our sponsors who helped assist in keeping the costs of our trip to a minimum. They are:

CJ Autos Electrics; Emaux; Abacus Educational Supplies; Britton's Formal Wear; Carpet Court; Foothills Denture Clinic; Combined Metal Industries; and Yaksich Osteopathic Clinic

UNIFORMS

Once again Fielder Choice and Dean White were able to ensure that we looked the part on the field and off as they organized our warm up tops and walk out top through Easton. Thank you to Baseball WA for allowing us to wear previous Alcohol.Think Again Perth HEAT playing tops to keep costs down for all the players.

ACCOMMODATION

We stayed at the Oaks Pier Plaza in Glenelg which has superb facilities. We had access to washing machines in everyone's rooms, all rooms had a kitchenette, pool, sauna and fully equipped gym, which players utilize most days. The only down fall to this accommodation was that the players and staff were all located on different levels. The security in the hotel was exceptional as you need a coded key to get to your level and this meant that players were not able to visit other levels without one of the staff going to get them to let them up to the required floor.

MEALS

Thanks to the generosity of the before mentioned sponsors we were able to ensure that the players and staff ate without this having an impact on the travelling parties wallets. Meals ranged from Snitzels to a Banquet Buffet.

GROUND TRANSPORTS

The ABF provided us with two, twelve seater buses and a one tonne van, which allowed us the freedom to come and go as we required.

PLAYING VENUE

Southern Districts Baseball Club facilities were outstanding, with two indoor batting cages with pitching machines in both. Both diamonds had permanent cutouts, mounds and dugouts. The Southern Districts Baseball Club volunteers catered to our every need and we could not have wanted for anything when we were at the ground, so a big thank you.

FINAL STANDINGS

Queensland
New South Wales
Western Australia
Victoria
South Australia
New Zealand

CONCLUSION

This was my first trip as an Executive Officer and I would like to thank the staff and players for making my job enjoyable. Finally a special thanks to Carolyn Williams for ensuring that all our players were fit and ready throughout the tournament and assisting me on many things. To Rod, Justin and Mathew thank you for having the confidence in me to perform this role.

Natalie Todd, Under 23s Executive Officer

DIRECTORS' REPORT

Your directors present their report on the company for the financial year ended 30 June 2012.

Directors

The names of the directors in office at any time during, or since the end of the year are:

Mr Stephen Henry Byrne
Mr Dean John Burton
Mr Kevin Francis Sorensen
Mr James Coughley Watson III
Mr Mark Tolcher Clay
Mr Stuart Johnson
Mr Clint Peter Kevin Russell
Mr Andrew Todd

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Review of Operations

The loss of the company for the financial year after providing for income tax amounted to \$73,815.

Significant Changes in the State of Affairs

No significant changes in the company's state of affairs occurred during the financial year.

Principal Activities

The principal activities of the company during the financial year were Promotion of baseball activities.

No significant change in the nature of these activities occurred during the year.

Events Subsequent to the End of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Likely Developments and Expected Results of Operations

Likely developments in the operations of the company and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the company.

Environmental Regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory.

Dividends

No dividends were paid during the year and no recommendation is made as to the dividends.

The directors do not recommend the payment of a dividend.

**BASEBALL WA LIMITED
A.B.N. 21 522 890 770**

DIRECTORS' REPORT

Options

No options over issued shares or interests in the company were granted during or since the end of the financial year and there were no options outstanding at the date of this report.

Indemnification of Officers

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of the company.

Proceedings on Behalf of the Company

No person has applied for leave of court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The company was not a party to any such proceedings during the year.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 3.

**AUDITOR'S INDEPENDENCE DECLARATION
UNDER SECTION 307C OF THE CORPORATIONS ACT 2001
TO THE DIRECTORS OF
BASEBALL WA LIMITED**

I declare, that to the best of my knowledge and belief, during the year ended 30 June 2012 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2012

1 Statement of Significant Accounting Policies

The financial statements cover Baseball WA Limited as an individual entity. Baseball WA Limited is a company limited by shares, incorporated and domiciled in Australia.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board (AASB) and the Corporations Act 2001.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards as issued by the IASB. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements were authorised for issue on by the directors of the company.

Accounting Policies

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

BASEBALL WA LIMITED
A.B.N. 21 522 890 770

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2012

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment.

In the event the carrying value of plant and equipment is greater than the estimated recoverable amount, the carrying value is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

The cost of fixed assets constructed within the company includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the company. Depreciation commences from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of the reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

BASEBALL WA LIMITED
A.B.N. 21 522 890 770

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2012

Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting adopted).

Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Impairment of Assets

At the end of each reporting period, the company assesses whether there is any indication that an asset may be impaired. The assessment will include considering external and internal sources of information. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Impairment testing is performed annually for goodwill and intangible assets with indefinite lives.

Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees at the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

**BASEBALL WA LIMITED
A.B.N. 21 522 890 770**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2012**

Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the end of the reporting period and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of liability.

BASEBALL WA LIMITED
A.B.N. 21 522 890 770

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2012

Goods and Services Tax (GST)

Revenues, expenses and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

In these circumstances, the GST is recognized as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

15 Financial Risk Management		

The company's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, loans to and from subsidiaries, bills and leases.

The totals for each category of financial instruments, measured in accordance with AASB 138 as detailed in the accounting policies to these financial statements are as follows:

Financial Risk Management Policies

The directors' overall risk management strategy seeks to assist the company in meeting its financial targets, whilst minimising potential adverse effects on financial performance.

Risk management policies are approved and reviewed by the Board of Directors on a regular basis. These included the credit risk policies and future cash flow requirements.

Baseball WA Limited

DIRECTORS' DECLARATION

The directors of the company declare that:

1. The financial statements and notes, as set out on pages 1 to 18, are in accordance with the corporations Act 2001 and:
 - (a) comply with accounting Standards, which, as stated in accounting policy Note 1 to the financial statements, constitutes explicit and unreserved compliance with International Financial Reporting Standards (IFRS); and
 - (b) give a true and fair view of the financial position as at 30 June 2012 and of the performance for the year ended on that date of the company.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director: 

Mr Stephen Henry Byrne

Director: 

Mr Andrew Todd

Dated this day of August 2012

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF BASEBALL WA LIMITED
A.B.N. 21 522 890 770**

Report on the Financial Report

I have audited the accompanying financial report of Baseball WA Limited which comprises the statement of financial position as at 30 June 2012 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory information and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards (IFRS).

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, we have complied with the independence requirements of the Corporations Act 2001. I confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the date of this auditor's report.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF BASEBALL WA LIMITED
A.B.N. 21 522 890 770**

Auditor's Opinion

In my opinion:

- (a) the financial report of Baseball WA Limited is in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the company's financial position as at 30 June 2012 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001; and
- (b) The financial report also complies with International Financial Reporting Standards as disclosed in Note 1.
